

"Name That Place" Contest

Hartland Township boasts many gathering places enjoyed by our residents and we are adding even more. We have three new or repurposed community assets to celebrate and need your help to give them a worthy and memorable name. **The winning entry for each place will be recognized at a small ceremony for the naming and a plaque on site!**

Location: Park – M-59 (north side, just west of Fenton Road)

This 65 acre park site was acquired by the Township over ten years ago. The front 30 acres have been developed into athletic fields for football, lacrosse and soccer. The remaining acreage provides opportunities for picnic pavilions, restrooms, concessions, future walking trails through the woods and nature observation areas around Bullard Lake.

Location: Park – Clark Road (west side behind Township Hall, SW corner of Dunham Road)

With over 120 acres of rolling hills, open fields, mature trees and wetlands, this park site offers an ideal setting for many passive recreational options. Future plans include paved walking trails to surrounding amenities, a cross country running course, an amphitheater, a destination playground, picnic pavilions, restrooms, sledding hill, and disc golf.

Location: 3191 Hartland Road ("Old Township Hall" – west side, just north of Dunham Road)

Originally built as a fire station, this building served as home to the Hartland Township offices for many years. The building is now being renovated to host an after school teen center ("Next Door"), as well as office space for the Sheriff's Department, fire department training, and available options for other community meetings or non-profit space.
