

It's Up to You . . . to Protect your Water and Natural Resources!

You're invited to a discussion regarding the plan for **water quality** and **natural resource protection** and **improvement** in the Upper-2 Shiawassee River Watershed

When and Where:

- Wednesday
- August 31st
- 7:00-9:00pm
- Howell Township Hall
3525 Byron Road
Howell, MI 48855

All interested citizens living in the Upper-2 Shiawassee River Watershed area are encouraged to provide their comments on the Watershed Management Plan that outlines:

- How local municipalities and agencies plan to reduce water pollution, improve water quality, and protect natural resources in the area
 - Learn about local water quality and the state of the natural resources
 - Learn how you can help to protect water quality and the natural resources in the watershed

More information is available at the Livingston County Drain Commissioner's Phase II Stormwater Website at:
