

# It's Up to You...

to Protect your Water and the Shiawassee River

You're invited to a discussion on the South Branch Shiawassee River Subwatershed Project

Wednesday, October 13, 7:00 p.m. at the Genoa Township Hall  
2911 Dorr Road,  
Brighton, Michigan

*If you live in the South Branch Shiawassee River Subwatershed area and care about your water resources, we need your help!*

Participants can expect to:

- \* **LEARN** about a regional effort to reduce pollution and improve water quality in the South Branch Shiawassee River Subwatershed
- \* **SHARE** your knowledge of local water quality issues, concerns, and priorities
- \* **ASK QUESTIONS** and talk with knowledgeable people who care about protecting your rivers, lakes, and streams
- \* **GET INFORMATION** on resources, volunteer opportunities, and simple steps you can take to protect your local water resources
