WITNESSETH:

WHEREAS, the Developer desires by recording this Master Deed, together with the Bylaws attached hereto as Exhibit A and together with the Condominium Subdivision Plan attached hereto as Exhibit B, both of which are incorporated herein by reference and made a part hereof, to establish the real property described in Article II below, together with the improvements located and to be located thereon, and the appurtenances thereto, as a Condominium Project under the provisions of the Act.

NOW, THEREFORE, the Developer does, upon the recording hereof, establish 10400 Highland Road Condominiums as a Condominium Project under the Act and does declare that 10400 Highland Road Condominiums, hereinafter referred to as the "Condominium," "Project" or the "Condominium Project," shall, after such establishment, be held, conveyed, hypothecated, encumbered, leased, rented, occupied, improved, or in any other manner utilized, subject to the provisions of the Act, and to the covenants, conditions, restrictions, uses, limitations and affirmative obligations set forth in this Master Deed and Exhibits A, B and C hereto, all of which shall be deemed to run with the land and shall be a burden and a benefit to the Developer, its successors and assigns, and any persons acquiring or owning an interest in the Condominium Premises, their grantees, successors, heirs, personal representatives and assigns. ARTICLE IV
COMMON ELEMENTS

The Common Elements of the Project, as may be modified from time to time pursuant to the provisions of this Master Deed and the Bylaws attached hereto as Exhibit A, and the respective responsibilities for maintenance, decoration, repair or replacement thereof, are as follows:

Section 1. General Common Elements. The General Common Elements shall consist solely of the following:

(a) Land. The land described in Article II hereof (excluding, however, that portion thereof described in Exhibit B hereto as constituting the Condominium Units), including riparian and littoral rights, if any, attributable to such land.

(b) Beneficial Easements. Beneficial easements, if any, which may exist from time to time lying outside the Condominium Project and which provide utilities or other services required by the Project (but excluding any improvements located therein which are the responsibility of the Co-owners to construct and maintain hereunder).

(c) Parking Lot Lighting. The parking lot lights shall be illuminated from dusk to dawn every day of the week, unless both Units are vacant in which case the lights shall not be required to be illuminated, unless required by law. The Owner of Unit 1 is hereby granted an access right across Unit 2 for the sole purpose of accessing the parking lot lighting controls. Unit 1 Owner agrees that any operation of the lighting controls will be conducted by a qualified lighting technician. The Owner of Unit 1 shall provide 48 hours advance notice to the Owner of Unit 2 of its intention to exercise such access right by delivering written notice to the point of contact of the Owner of Unit 2, as may be designated from time to time.

(d) Other. Those elements of the Project which are not enclosed within the boundaries of a Unit and which are intended for common use or are necessary to the existence, upkeep and safety of the Project, if any; expressly excluding, however, any and all Limited Common Elements.

Section 2. Limited Common Elements. The Limited Common Elements shall consist solely of the following:

(a) Those portions of the fire suppression system as may be located within each Unit from time to time;

(b) Those portions of the alarm and security system as may be located within each Unit from time to time.

(c) The common party wall as depicted on the Site Plan attached hereto as Exhibit C and any common adjoining infrastructure that has been constructed along the common boundary wall between Unit 1 and Unit 2.

(d) The exterior entrance areas to each Unit.

(e) Any equipment located on the roof or on an exterior wall of a Unit.

Section 3. Responsibilities. The respective responsibilities for the maintenance, decoration, repair and replacement of the Common Elements are as follows:

(a) Co-owner Responsibilities.

(i) Units and Other Areas. The responsibility for and the costs of construction, repair, maintenance, decoration replacement of the building, appurtenances, Limited Common Elements, other improvements located within each Unit and all landscaping, irrigation, and the salting, maintenance, of sidewalks and curbs on the perimeter of each Unit, as needed, wherever located, shall be borne by the Owner of such Unit. Further, no Co-owner shall construct, attach or otherwise install any improvements to any Common Element, whether or not appurtenant to such Co-owner's Unit, or modify any Common Element, without both Co-owner's prior written approval; and, in this regard, the Co-owner shall, in all events, be responsible to pay any increase in the costs of maintenance, repair, or replacement for which the Association is responsible that results from any such improvements or modifications, and such increased costs or expenses may, at the option of the Association, be specially assessed against that Unit or Units. Likewise, the responsibility for and the costs of improving and maintaining of the surface of the area immediately adjacent to the Building adjacent to the edge of the parking surface, including, without limitation, all landscaping, irrigation, and the plowing and salting of any approach, driveway, and sidewalks, shall be borne by the Co-Owner of the Unit to which such right of way is adjacent.

(ii) Utility Services and Access. As provided in Article I above, each Unit is capable of individual utilization on account of having its own access to a Common Element of the Condominium Project. Each Co-owner must contract for and connect to, at its sole cost and expense, any utilities that such Co-owner requires in connection with the development of its Unit including, without limitation, electrical, natural gas, water, sanitary sewer, storm sewer leads, connections and other improvements, and any telecommunications, and no such improvements shall be deemed Common Elements hereunder in any event. Likewise, all costs of electricity, natural gas and any other utility services shall be borne by the Co-owner of the Unit to which such services are furnished.

(b) Association Responsibilities. The Association shall be responsible to maintain, repair and replace all the General Common Elements, and the costs of the same

shall be borne by the Association, subject to any provisions of the Bylaws expressly to the contrary. The Association shall not be responsible, in the first instance, for performing any construction, maintenance, repair or replacement with respect to buildings and their appurtenances located within the Units, any Limited Common Elements, any adjoining right of ways, utilities within any Units, drives or other paved areas within the Units, any off-site improvements, landscaping within the Units and, except as otherwise expressly provided in the Condominium Documents, all structures and improvements that now or hereafter are located within the boundaries of a Condominium Unit shall be owned in their entirety by the Co-owner of the Unit in which they are located and shall not constitute Common Elements hereunder. Nevertheless, in order to provide for flexibility in administering the Condominium, the Association acting through its Board of Directors, may undertake such other regularly recurring, reasonable uniform, periodic exterior maintenance functions with respect to buildings and/or other improvements constructed within any Unit boundaries (and/or any off-site improvements) as it may deem necessary to maintain reasonable aesthetic and maintenance standards prescribed by the Association in duly adopted rules and regulations. Nothing herein contained however, shall compel the Association to undertake such responsibilities. Any such responsibilities undertaken by the Association shall be charged to any affected Co-owner on a reasonably uniform basis and collected in accordance with the assessment procedures established under Article II of the Bylaws. Co-owners, in the initial maintenance budget for the Association, shall be entitled to determine the nature and extent of such services and reasonable rules and regulations may be promulgated in connection therewith.

(c) If an Owner's negligence shall cause damage to or destruction of the Common Elements, the negligent Owner shall bear the entire cost of repair or reconstruction. If an Owner shall neglect or refuse to pay the Owner's share, or all of the cost in case of negligence, the other Owner may have the Common Elements repaired or restored and shall be entitled to record a claim of lien on the Unit of the Owner failing to pay for the amount of such defaulting Owner's share of the repair or replacement cost or may elect to pursue any other legal or equitable remedies available under the law of the state of Michigan.

Section 4. Utility Systems. Some or all of the utility lines, systems, including mains and service leads, and equipment and the telecommunications system, if and when constructed, described above may be owned by the local public authority or by the company that is providing the pertinent service. Accordingly, such utility lines, systems and equipment, and the telecommunications system, if and when constructed, shall be General Common Elements (if at all), or shall otherwise be the property of the Co-owners, only to the extent of the Co-owners' interest therein, if any, and the Developer makes no warranty whatever with respect to the nature or extent of such interest, if any. The extent of the Developer's and Association's responsibility will be to see to it that telephone, electric, natural gas, water and sanitary sewer mains are installed and available for use by Co-owners within reasonable proximity to, or within, the Units. Each Co-owner will be entirely responsible for arranging for and paying all costs in connection with extension of such utilities by laterals from the mains to any buildings and structures located within the Units.

ARTICLE V
UNIT DESCRIPTION AND PERCENTAGE OF VALUE

Section 1. Description of Units. Each Unit in the Condominium Project is described in this paragraph with reference to the Condominium Subdivision Plan of 10400 Highland Road Condominiums as surveyed by Kem-Tec, A Group of Companies, of Eastpointe, Michigan, and attached hereto as Exhibit B. Each Unit shall consist of the land contained within the Unit boundaries as shown in Exhibit B hereto and delineated with heavy outlines, together with all appurtenances thereto.

Section 2. Percentage of Value. The percentage of value assigned to each Unit shall be as follows:

Unit 1	40.5%
<u>Unit 2</u>	<u>59.5%</u>
Total	100%

The percentages of value set forth above were made after reviewing the comparative characteristics of each Unit in the project which would affect maintenance costs and value and concluding that there are not material differences among the Units insofar as the allocation of percentages of value is concerned. The percentage of value assigned to each Unit shall be determinative of each Co-owner's respective share of the Common Elements of the Condominium Project, the proportionate share of each respective Co-owner in the proceeds and the expenses of administration of the Association. However, at meetings of the Association, each Co-Owner shall have one vote. The total value of the Project is 100%.

Section 3. Disputes, claims or grievances between the Co-Owners arising out of or relating to the interpretation or the application of the Condominium Documents, any disputes, claims or grievances arising among or between the Co-owners and the Association shall be submitted to arbitration to be conducted by a panel of three arbitrators, one each appointed by a Co-Owner; the third appointed by the two Co-Owner appointed arbitrators and the parties thereto shall accept the arbitrators' decision as final and binding and judgment upon the award entered by the arbitrators may be entered in any court having jurisdiction thereof, provided that no question affecting the claim of title of any person to any fee or life estate in the real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

ARTICLE VI
EASEMENTS

Section 1. Easement for Maintenance of Encroachments and Utilities. In the event any portion of a Unit or Common Element encroaches upon another Unit or Common Element due to shifting, settling or moving of a building, or due to survey errors, or construction deviations, reciprocal easements shall exist for the maintenance of such encroachment for so long as such encroachment exists, and for maintenance thereof after rebuilding in the event of any destruction.

There shall be easements to, through and over those portions of the land contained within each Unit for the continuing maintenance and repair of all utilities in the Condominium.

Section 2. Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors, including any Board of Directors acting prior to the Transitional Control Date, shall be empowered and obligated to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the land contained within each Unit for utility purposes, access purposes or other lawful purposes as may be necessary for the benefit of the Condominium or for the benefit of any other land described in this Article VI.

Section 3. Easements for Construction, Maintenance, Repair and Replacement. The Co-Owners, the Association, all public or private utility companies and any other state or local governmental authority shall have such easements as may be necessary over the Condominium Project (but excluding the interior of any buildings) to exercise any rights and fulfill any responsibilities of maintenance, repair, replacement or relocation which they or any of them are required or permitted to perform under the Condominium Documents or by law or to respond to any emergency or common need of the Condominium. These easements include, without any implication of limitation, the right of the Association and the Co-Owners to obtain access during reasonable hours and upon reasonable notice to all Common Elements, wherever located within the Condominium Project. While it is intended that each Co-owner shall be solely responsible for the performance and costs of all maintenance, repair and replacement of or decoration of the building and all other appurtenances and other improvements constructed or otherwise located within the Unit, it is nevertheless a matter of concern that a Co-owner may fail to properly maintain the exterior of such buildings, appurtenances and other improvements in a proper manner and in accordance with the standards set forth in Article VI of the Bylaws. Therefore, in the event a Co-owner fails, as required by this Master Deed, the Bylaws or any Rules and Regulations promulgated by the Association, to properly and adequately maintain, repair, replace or otherwise keep his Unit or any buildings, appurtenances or other improvements located therein (and/or any related off-site improvements), the Association, and/or the other Co-Owner, shall have the right, and all necessary easements in furtherance thereto, but not the obligation, to take whatever reasonable action or actions it deems desirable to so maintain, decorate, repair or replace buildings and/or other improvements within the confines of the Unit or its appurtenances, all at the expense of the Co-owner of the Unit provided, that the Association, first gives the Co-owner of the offending Unit(s) at least thirty (30) days written notice of its intent to take such action, and said Owner fails to correct the offending condition within thirty (30) days after the date of such notice; further provided, that no notice shall be required in the event of emergency. Failure of the Association or the other Co-Owner to take any such action shall not be deemed a waiver of the Association's or the other Co-Owner's right to take any such action at a future time. All costs incurred by the Association or the other Co-Owner in performing any responsibilities which are required, in the first instance to be borne by any Co-owner, shall be assessed against such Co-owner and shall be due and payable with his assessment next falling due; further, the lien for non-payment shall attach as in all cases of regular assessments and such assessments may be enforced by the use of all means available to the Association under the Condominium Documents and by law for the collection of regular assessments including, without limitation, legal action, foreclosure of the lien securing payment and imposition of fines.

Section 4. Utility Easements. Each Co-owner also hereby reserves for the benefit of itself, its successors and assigns, and all future owners of any land adjoining the Condominium or any portion or portions thereof, perpetual easements to utilize, tap, tie into, extend and enlarge all utility mains located on the Condominium Premises, including, but not limited to, water, gas, electrical, telephone, storm and sanitary sewer mains. In the event Co-Owners, its successors or assigns, thus utilizes, taps, ties into, extends or enlarges any utilities located on the Condominium Premises, it shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Premises to their state immediately prior to such utilization, tapping, tying-in, extension or enlargement.

In addition, individual Co-owners shall be permitted, at any time, to grant easements for utilities over, under and across the Condominium Unit(s) that they own, and only those Units, respectively, to appropriate governmental agencies or public utility companies, and to transfer title of utilities to state, county or local governments in connection therewith, subject to Developer approval for any easements granted prior to the Transitional Control Date. Except as provided in the preceding sentence, any such easement or transfer of title may be conveyed by a Co-owner without the consent of any other Co-owner, mortgagee or other person and shall be evidenced by proper instrument(s) evidencing the same, executed by such Co-owner and duly recorded in the office of the Livingston County Register of Deeds. The Association shall be provided a copy of any such easement by the Co-owner of the affected Unit not later than the date of its recordation. Except as provided above, all of the other Co-owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendment or amendments of this Master Deed to effectuate the foregoing easement or transfer of title.

Section 5. Confirmation of Specific Easements by Subsequent Recordings. All easements created and reserved by and to the Developer, its successors and assigns anywhere in this Master Deed or in any other Condominium Documents may be specifically confirmed, defined, clarified or otherwise established by duly recorded instruments from time to time including, without limitation, master deeds, declarations of easements and other documents executed and recorded by Developer, its successors and assigns.

ARTICLE VII AMENDMENT

This Master Deed and the Condominium Subdivision Plan (Exhibit B to Master Deed) may be amended with the unanimous consent of the Co-owners, except as hereinafter set forth:

Section 1. Modification of Units or Common Elements. No Unit dimension may be modified without the consent of the Co-owners and mortgagee of such Unit nor may the nature or extent of Limited Common Elements or the responsibility for maintenance, repair or replacement thereof be modified without the written consent of the Co-owner of any Unit to which the same are appurtenant, except as otherwise expressly provided above to the contrary. No Owner shall repair, modify, or permit any construction, reconstruction of a Unit, if such act will have any effect on the structural integrity of the building of which the Units are a part or on the other Unit, without obtain the prior written consent of the other Owner.

Section 2. Division of Units. Additional Units may be created in the Condominium in Unit 1 by the Co-Owner of Unit 1 and in Unit 2 by the Co-Owner of Unit 2, and the resulting Units may be freely conveyed, subject to the following requirements:

(a) The proposed division is approved by Hartland Township, Livingston County and the State of Michigan, as may be applicable;

(b) All General and Limited Common Elements hereunder shall retain their character as such regardless of any division, and the rights and obligations of the respective Co-owner(s) of the divided Units shall be as set forth in this Master Deed and the attached exhibits;

(c) The Percentage of Value of the resulting Units shall be determined on the basis of relative area and shall be determinative of the proportionate share of each respective Co-owner in the proceeds and the expenses of administration of the Association. The total value of the Project shall remain at One Hundred (100%) Percent;

(d) The resultant Units shall otherwise be subject to this Master Deed and all attached exhibits, in all respects, as may be amended from time to time;

(e) The Co-Owners will in good faith amend this Master Deed to account for the creation of additional units;

(f) Each Co-Owner shall be limited to one division of their respective parcel;
and

(g) With respect to each Co-Owner, there shall be no more than (2) Units resulting from such division.

Section 3. Mortgagee Consent. Wherever a proposed amendment would alter or change the rights of mortgagees generally, then such amendment shall require the approval of all first mortgagees of record allowing one vote for each mortgage held.

Section 4. Change in Percentage of Value. The value of the vote of any Co-owner and the corresponding proportion of common expenses assessed against such Co-owner shall not be modified without the written consent of such Co-owner and his mortgagee, nor shall the percentage of value assigned to any Unit be modified without like consent, except as otherwise provided in this Master Deed or in the Bylaws.

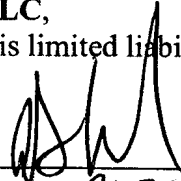

Section 5. Termination, Vacation, Revocation or Abandonment. The Condominium Project may not be terminated, vacated, revoked or abandoned without the written consent of all the Co-owners.

ARTICLE VIII
ASSIGNMENT

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the power to approve or disapprove any act, use or proposed action or any other matter or thing, may be assigned by Developer to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing duly recorded in the office of the Livingston County Register of Deeds.

10400 HIGHLAND ROAD CONDOMINIUMS

EXHIBIT A

BYLAWS

ARTICLE I ASSOCIATION OF CO-OWNERS

10400 Highland Road Condominiums, a Condominium Project located in the Township of Hartland, Livingston County, Michigan, shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association," organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Master Deed recorded at liber ___ page ___ Livingston County Register of Deed ("Condominium Documents") and the laws of the State of Michigan. These Bylaws shall constitute both the Bylaws referred to in the Master Deed and required by Section 3(9) of the Act and the Bylaws provided for under the Michigan Non-profit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Co-owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

ARTICLE II ASSESSMENTS

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements, or the improvements constructed or to be constructed within the perimeters of the Condominium Units for which the Association has maintenance responsibility, or the administration of the Condominium Project, shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budgets. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the project operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that are the responsibility of the Association and that must be replaced on a periodic basis shall be established in the budget and must be funded by regular payments as set forth in Section 3 below rather than by special assessments. At a minimum, the reserve fund shall be equal to ten percent (10%) of the Association's current annual budget on a non-cumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular Project, the Association should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments. Should the Board of Directors at any time determine, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, (2) to provide replacements of existing Common Elements for which the Association is responsible, (3) to provide additions to the Common Elements for which the Association is responsible not exceeding \$2,500 annually for the entire Condominium Project, or (4) that an event of emergency exists, the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other needs or requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements for which the Association is responsible of cost exceeding \$2,500 for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 5 hereof, or (3) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph (a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of the Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof.

Section 3. Apportionment of Assessments and Penalty for Default. Unless otherwise provided herein or in the Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners on the basis of each Co-owner's respective Percentage of Value (as set forth in the Master Deed). Annual assessments as determined in accordance with Article II, Section 2(a) above shall be payable by Co-owners in equal monthly, quarterly or annual installments, as the Association shall determine annually, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment.

Each installment in default for ten (10) or more days shall bear interest from the initial due date thereof at the rate of seven percent (7%) per annum until each installment is paid full. The Association may, pursuant to Article XIII, Section 4 hereof, levy fines for the late payment in addition to such interest. Each Co-owner, whether one (1) or more persons, shall be, and remain, personally liable for the payment of all assessments including fines for late payment and costs of collection pertinent to his Unit which may be levied while such Co-owner is the owner thereof, except a land contract purchaser from any Co-owner including Developer shall be so personally liable and such land contract seller shall not be personally liable for all such assessments levied up to and including the date upon which such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Each Co-owner, whether one (1) or more persons, shall be, and remain, personally liable for the payment of all assessments pertinent to his Unit which may be levied while such Co-owner is the owner thereof. Payments on account of installments of assessments in default shall be applied as follows: First, to costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest charges and fines for late payment on such installments; and third, to installments in default in order of their due dates.

Section 4. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

Section 5. Enforcement.

(a) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. A Co-owner in default shall not be entitled to vote at any meeting of the Association so long as such default continues. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. All of these remedies shall be cumulative and not alternative and shall not preclude the Association from exercising such other remedies as may be available at law or in equity.

(b) Foreclosure Proceedings. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. The Association, acting on behalf of all Co-owners, may bid at the foreclosure sale, and acquire, hold, lease, or convey the Unit sold. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of at least thirty (30) days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within thirty (30) days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorneys' fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Register of Deeds in Livingston County, Michigan, prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within said thirty (30) day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorneys' fees, not limited to statutory fees, and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

Section 6. Liability of Mortgagee. Notwithstanding any other provision of the Condominium Documents to the contrary, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or

assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit, except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit.

Section 7. [Reserved]

Section 8. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 9. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated an administrative expense of the Association.

Section 10. Mechanic's Lien. A mechanic's lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

Section 11. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exists, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least five (5) days prior to the closing of the purchase of such Unit shall render any unpaid assessments and the lien securing same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except real property taxes and first mortgages of record.

ARTICLE III
ARBITRATION

Section 1. Scope and Election. In addition to the provisions of Article X, Section 14., Disputes, claims or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, any disputes, claims or grievances arising among or between the Co-owners and the Association shall be submitted to arbitration to be conducted by a panel of three arbitrators, one each appointed by a Co-Owner; the third appointed by the two Co-Owner appointed arbitrators and the parties thereto shall accept the arbitrators' decision as final and binding and judgment upon the award entered by the arbitrators may be entered in any court having jurisdiction thereof, provided that no question affecting the claim of title of any person to any fee or life estate in the real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 1 above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by Co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV INSURANCE

Section 1. Extent of Coverage. Each Co-Owner shall, in addition to the coverage required by Section 3. below, carry fire and extended coverage, vandalism and malicious mischief, flood insurance to the extent available, if applicable, all inclusive liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements of the Condominium Project, and such other insurance as the Board of Directors of the Association deems advisable, and such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Association. All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners.

(b) Insurance of Common Elements. All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, if appropriate, in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association.

(c) Premium Expenses. All premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result or any loss requiring repair or reconstruction shall be applied for such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Project unless all of the institutional holders of first mortgages on Units in the Project have given their prior written approval.

Section 2. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, and such insurer as

may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear, subject always to the Condominium Documents, to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

Section 3. Responsibilities of Co-owners. Each Co-owner shall be responsible for obtaining (or self-insure) fire and extended coverage and vandalism and malicious mischief insurance with respect to his building and all other improvements constructed or to be constructed within the perimeter of its (inclusive of any Limited Common Elements appurtenant thereto that are the responsibility of such Co-owner), and for his personal property located herein or elsewhere on the Condominium Project in accordance with the terms and conditions hereof. All such insurance shall be carried by each Co-owner in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs. In the event of the failure of a Co-owner to obtain such insurance, the Association may obtain such insurance on behalf of such Co-owner and the premiums therefor shall constitute a lien against the Co-owner's Unit which may be collected from the Co-owner in the same manner that Association assessments are collected in accordance with Article II. Each Co-owner also shall be obligated to obtain insurance coverage for his personal liability for occurrences within the perimeter of his Condominium Unit or within the building or other improvements located thereon (inclusive of any Limited Common Elements appurtenant thereto that are the responsibility of such Co-owner). The Association shall under no circumstances have any obligation to obtain any of the insurance coverage described in this Section 3 or any liability to any person for failure to do so.

Section 4. Waiver of Right of Subrogation. The Association and all Co-owners shall use their best efforts to cause all property and liability insurance carried by the Association or any Co-owner to contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

Section 5. Common Elements Coverage. Upon the unanimous vote of the Directors, the Association shall, to the extent appropriate given the nature of the Common Elements of the Project, carry fire and extended coverage, vandalism and malicious mischief, flood insurance to the extent available, if applicable, all inclusive liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements of the Condominium Project, and such other insurance as the Board of Directors of the Association deems advisable, and such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Association. All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners.

(b) Insurance of Common Elements. All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, if appropriate, in an amount equal to the maximum

insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association.

(c) Premium Expenses. All premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result or any loss requiring repair or reconstruction shall be applied for such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Project unless all of the institutional holders of first mortgages on Units in the Project have given their prior written approval.

ARTICLE V RECONSTRUCTION OR REPAIR

Section 1. Determination to Reconstruct or Repair. If any part of the Condominium Premises (inclusive of any improvements located thereon) shall be partially or completely destroyed, it shall be reconstructed or repaired in accordance with the terms and conditions of the Master Deed (inclusive of these Bylaws) unless it is determined by a unanimous vote of all Co-owners that the Condominium shall be terminated, and each institutional holder of a first mortgage lien on any Unit in the Condominium has given prior written approval of such termination.

Section 2. Repair in Accordance with Plans and Specifications. Any such construction or repair shall be substantially in accordance with the Master Deed to a condition as comparable as possible to the condition existing prior to damage, unless the Co-owners shall unanimously decide otherwise.

Section 3. Co-owner Responsibility for Repair.

(a) Definition of Co-owner Responsibility. If the damage is to a building or other improvement constructed within the perimeter of a Unit (inclusive of any Limited Common Element appurtenant thereto for which the Co-owner is responsible, and any right of way areas and improvements located therein adjacent to such Unit), it shall be the responsibility of the Co-owner to repair such damage.

(b) Damage to Buildings and Other Improvements. In the event of substantial damage to or destruction of any Unit, or any building or other improvement located thereon, or any part of the Common Elements, the Association shall promptly so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 4. Association Responsibility for Repair. Except as otherwise provided in Section 3 above and/or in the Master Deed, the Association shall be responsible for the reconstruction, repair and maintenance of the Common Elements. Immediately after a casualty causing damage to

property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost repair.

Section 5. Timely Reconstruction and Repair. In the event damage to the Common Elements adversely affects the ability of any Co-owner to use and enjoy his Unit for commercial purposes in the ordinary course of business or is otherwise required to be repaired or restored pursuant to applicable law, rule or governmental requirement, the Association or Co-owner responsible for the reconstruction, repair or maintenance thereof, as the case may be, shall proceed with the necessary repair or replacement of the damaged property without delay and with all due diligence, and shall complete such repair or replacement within six (6) months after the date of the occurrence which caused damage to the property.

Section 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit. In the event of any taking of an entire Unit, or of all the improvements located within the perimeter thereof, by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the Co-owner and his mortgagee, they shall be divested of all interest in the Condominium Project. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his mortgagee, as their interest may appear.

(b) Taking of Common Elements. If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of the Co-owners shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be re-surveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of one hundred percent (100%). Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner or other person having any interest whatever in the Project, as mortgagee or otherwise.

(d) Notification of Condemnation. In the event any Unit, or improvements located within the perimeter thereof, in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of first mortgagee lien on any of the Units in the Condominium.

Section 7. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give any Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI RESTRICTIONS

All of the Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Commercial Use. Each Unit in the Condominium shall be used solely for commercial and otherwise non-residential purposes in accordance with local zoning and use rules and regulations, and the Common Elements shall be used only for purposes consistent with the use of such commercial purposes.

Section 2. Leasing and Rental.

(a) Right to Lease. A Co-owner may lease all or any part of his Unit for the same purposes set forth in Section 1 of this Article VI; provided that written disclosure of such lease transaction is submitted to the Board of Directors of the Association in the manner specified in subsection (b) below. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents.

(b) Leasing Procedures. The leasing of Units in the Project shall conform to the following provisions:

(1) A Co-owner, including the Developer, desiring to rent or lease all or any part of a Unit, shall disclose that fact in writing to the Association at least ten (10) days before presenting a lease form to a potential lessee of the Unit and, at the same time, shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents; provided, however, that business terms such as rent, rent escalators, or other terms of a confidential nature need not be disclosed.

(2) All tenants and other non- Co-owner occupants shall comply with all of the conditions of the Condominium Documents of the Condominium Project and all leases and rental agreements shall so state.

(3) If the Association determines that the tenant or non- Co-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(i) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant.

(ii) The Co-owner shall have thirty (30) days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(iii) If after thirty (30) days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association an action for eviction against the tenant or non- Co-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or non-Co-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this subparagraph may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages to the Common Elements caused by the Co-owner or tenant in connection with the Unit or Condominium Project.

(4) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not constitute a breach of the rental agreement or lease by the tenant.

Section 3. Architectural Control. All construction and development of the Units shall be undertaken by and at the sole expense of the Co-owner who is responsible for these costs., The construction of any building and/or other improvements on a Unit by a Co-owner shall remain subject to said Co-owner's receipt of all necessary approvals from the Township of Hartland, Livingston County and the State of Michigan, or other governmental body, as may be applicable, and shall be constructed, operated and maintained in accordance with the terms and conditions of the Master Deed (inclusive of these Bylaws). Further, no improvement shall require a change in any of the grades in the Project as initially approved by the Township and Livingston County, Michigan, without the other Owner's express written consent. The purpose of this section is to assure the continued maintenance of the Condominium as a first class commercial development, and shall be binding upon both the Association and upon all Co-owners.

Section 4. Changes in Common Elements. No Co-owner shall make changes in any of the Common Elements, Limited or General, without the express written approval of the Association.

Section 5. Activities. No improper, unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No Co-owner shall do or permit

anything to be done or keep or permit to be kept on his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. In addition, no Unit may be developed or used for any purpose inconsistent with local zoning ordinances and other applicable law.

Section 6. Aesthetics. The Common Elements shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association, except for such short periods of time as may be reasonably necessary in connection with the construction, maintenance and ongoing repair and upkeep of the same. Each Co-owner shall locate and maintain at all times, upon its Unit, proper trash receptacles in accordance with applicable zoning and other law. In general, no activity shall be carried on nor condition maintained by a Co-owner in his building, elsewhere on his Unit or upon the Common Elements which is detrimental to the appearance of the Condominium.

Section 7. Advertising. Each Co-owner shall be permitted to locate such signs or other advertising devices on or about its Unit, or upon any improvements located on its Unit, as may be permitted pursuant to applicable zoning and other law.

Section 8. Rules and Regulations. It is intended that the Board of Directors of the Association may make rules and regulations from time to time to reflect the needs and desires of the Co-owners in the Condominium. Reasonable regulations consistent with the Act, the Master Deed and these Bylaws concerning the use of the Common Elements may be made and amended from time to time by any Board of Directors of the Association, including the first Board of Directors, or its successors, prior to the Transitional Control Date. Copies of all such rules, regulations and amendments thereto shall be furnished to all Co-owners.

Section 9. Right of Access of Association. The Association or its duly authorized agents shall have access upon each Unit from time to time (but not inside any building), during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements for which it is responsible, and shall also have access, at all times and without notice, as may be necessary to make emergency repairs to prevent damage to such Common Elements or to the improvements thereon.

Section 10. Landscaping. No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon any Common Elements or elsewhere on its Unit except in accordance with the lawful requirements of the Township, Livingston County, Michigan, or other governmental body, as may be applicable, and each Co-owner shall maintain all such landscaping in accordance with good industry practices consistent with the character of the Condominium as a first class commercial development.

Section 11. Use of Common Elements. None of the Common Elements (as defined in the Master Deed), shall be obstructed or used for purposes other than for which they are reasonably and obviously intended.

Section 12. Co-owner Maintenance. Each Co-owner shall maintain his Unit and the Limited Common Elements appurtenant thereto, and buildings and other improvements located

thereon, and any adjoining right of ways and improvements located therein, in a safe, clean and sanitary condition, free and clear of snow, ice, trash and other debris at all times. Each Co-owner shall also use due care to avoid damaging any of the Common Elements which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his agents, employees or invitees, unless such damages or costs are covered by insurance carried by the Association, in which case there shall be no such responsibility, unless reimbursement to the Association is limited by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount. Any costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof.

Section 13. Reserved Rights of Association.

(a) **Prior Approval by Association.** Except as otherwise expressly provided herein or in any of the other Condominium Documents, no Association or Owner approval shall be required for the construction of any building or other improvements by the Co-owners of the Condominium Units; provided, however, each Co-owner shall, prior to commencement of construction, provide the Association and the Owners a full and complete copy of (i) the plans and specifications for its proposed building and related improvements and (ii) all permits and other required governmental consents.

(b) **Enforcement of Bylaws.** The Condominium Project shall at all times be maintained in a manner consistent with the highest standards of a premiere commercial development for the benefit of the Co-owners and all persons interested in the Condominium. If at any time the Association fails or refuses to carry out its obligation to maintain, repair, replace and landscape in a manner consistent with the maintenance of such high standards then, the Owners or an Owner, may elect to maintain, repair and/or replace any Common Elements and/or to do any landscaping required by these Bylaws and to charge the cost thereof to the Association as an expense of administration.

Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or officer may be entitled. At least ten (10) days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Co-owners thereof. Further, the Board of Directors may, at its option, carry officers' and directors' liability insurance covering acts of the officers and Directors of the Association in such amounts as it shall deem appropriate.

ARTICLE XV AMENDMENTS

Section 1. Proposal. Amendments to these Bylaws may be proposed by one of the Directors of the Association or may be proposed by one or more of the Co-owners by instrument in writing signed by them.

Section 2. Meeting. Upon any such amendment being proposed, a meeting for consideration of the same shall be duly called in accordance with the provisions of these Bylaws.

Section 3. Voting. These Bylaws may be amended by the unanimous vote of the Co-owners at any regular annual meeting or a special meeting called for such purpose. No consent of mortgagees shall be required to amend these Bylaws unless such amendment would materially alter or change the rights of such mortgagees, in which event the approval of all of first mortgagees shall be required with each mortgagee to have one vote for each mortgage held.

Section 4. When Effective. Any amendment to these Bylaws shall become effective upon recording of such amendment in the office of the Livingston County, Michigan, Register of Deeds.

Section 5. Binding. A copy of each amendment to the Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the Project irrespective of whether such persons actually receive a copy of the amendment.

ARTICLE XVI COMPLIANCE

The Association of Co-owners and all present or future Co-owners, tenants, or any other persons acquiring an interest in or using the facilities of the Project in any manner are subject to and shall comply with the Act, as amended, and the mere acquisition, occupancy or rental of any Unit or an interest therein or the utilization of or entry upon the Condominium Premises shall signify that the Condominium Documents are accepted and ratified. In the event the Condominium Documents conflict with the provisions of the Act, the Act shall govern.

ARTICLE XVII
DEFINITIONS

All terms used herein shall have the same meaning as set forth in the Master Deed to which these Bylaws are attached as an Exhibit or as set forth in the Act.

ARTICLE XIII
REMEDIES FOR DEFAULT

Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief, as may be applicable:

Section 1. Legal Action. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Co-owner or Co-owners.

Section 2. Recovery of Costs. In any proceeding arising because of an alleged default by any Co-owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees, not limited to statutory fees, as may be determined by the court, but in no event shall any Co-owner be entitled to recover such attorneys' fees.

Section 3. Removal and Abatement. The violation of any of the provisions of the Condominium Documents shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements, Limited or General, or upon any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Co-owner arising out of the exercise of its removal and abatement power authorized herein.

Section 4. Assessment of Fines. The violation of any of the provisions of the Condominium Documents by any Co-owner shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines for such violations. No fine may be assessed unless rules and regulations establishing such fine have first been duly adopted by the Board of Directors of the Association and notice thereof given to all Co-owners in the same manner as prescribed in Article IX, Section 5 of these Bylaws. Thereafter, fines may be assessed only upon notice to the offending Co-owners as prescribed in said Article IX, Section 5, and an opportunity for such Co-owner to appear before the Board no less than seven (7) days from the date of the notice and offer evidence in defense of the alleged violation. All fines duly assessed may be collected in the same manner as provided in Article II of these Bylaws. No fine shall be levied for the first violation. No fine shall exceed \$100 for the second violation, \$200 for the third violation or \$300 for any subsequent violation.

Section 5. Non-waiver of Right. The failure of the Association or of any Co-owner to enforce any right, provision covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-owner to enforce such right, provision, covenant or condition in the future.

Section 6. Cumulative Rights, Remedies and Privileges. All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

Section 7. Enforcement of Provisions of Condominium Documents. A Co-owner may maintain an action against the Association and its officers and Directors to compel such persons to enforce the terms and provisions of the Condominium Documents. A Co-owner may maintain an action against any other Co-owner for injunctive relief or for damages or any combination thereof for noncompliance with the terms and provisions of the Condominium Documents or the Act.

ARTICLE XIX
RIGHTS RESERVED TO DEVELOPER

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, are assigned by it to the Association upon the Developer's sale of a Unit.

ARTICLE XX
SEVERABILITY

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such Condominium Documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.
