

HARTLAND

Summer 2020

PUT OUR DROP BOX TO USE!

For the safety of our residents and staff, we encourage you utilize our drop box to pay your taxes this season. If you include your entire bill in with your payment in the drop box at the front of the Township Hall, a receipt will be mailed to you. A self-addressed envelope would also be appreciated.

PARK RULES:

- All dogs must be on a leash.
- Please clean up after your pet.
- No open fires.
- No glass containers.
- Parks are open from sunrise to sunset.

HARTLAND - OUTDOOR FRIENDLY

Outdoor Business Friendly

During the COVID-19 crisis, Hartland Township is making it easier for local businesses to conduct more activities outside.

We want to help your business be successful, as you help our community safely revive. Social distancing requirements will limit the number of customers businesses can serve. Fresh air during Michigan's beautiful summer months is also a great prescription for health. Let's work together to find creative ways to use outdoor space to support your business needs during this time.

Outdoor Family Friendly

The past few months have provided time for many outdoor improvements around Hartland Township. Although there may currently be restrictions on certain equipment, we do encourage residents to utilize our beautiful outdoor spaces (while practicing safe social distancing, of course!).

A special "thank you" to members of Motor City Mountain Biking Association (MCMBA) who have been working ahead of schedule to complete the Settler's Park mountain bike trails. The trail provides 3 individual loops with a total of (nearly) 7 miles of pathway! Along the way, you will find wide sweeping views, mixed terrain, and even some obstacles. Trails are open to both hikers and riders, just be mindful of others and follow sign instructions to keep everyone safe.

Spranger Field may not have had its typical spring season-usage, but that doesn't mean it was neglected. On the contrary, this outdoor space was a top priority as the entire area saw a facelift. We are excited to announce the addition of a new play structure, along with both field and building updates. Work also included cleanup of dead wood and phragmites, clearing land for possible Spranger Field nature trails down the road. Spranger Field will be ready to welcome both athletes and spectators by the time the next season kicks off!

The Clerk's Office Needs You! Become an Election Inspector

Hartland Township is seeking Election Inspectors for the upcoming **August 4** and **November 3** elections. Election Inspectors are responsible for setting up polling locations, assisting voters on voting procedures at the polls, distributing ballots, and verifying registration records.

Interested? You can download an application on the Township's elections and voting web page, or by emailing the clerk's office at clerk@hartlandtwp.com.

Need to File an Absentee Ballot?

Remember, with changes made to election law last year, absentee voter ballots are now available for all elections. As a registered voter, you can receive a ballot application by contacting the Township Clerk's office. You may also request that the Clerk's office send you an absentee ballot application automatically before each election by filling out a form to be placed on our Permanent Absentee Voter list. Visit the Township's website for further details.

Financial Transparency

Each year Hartland Township must meet certain requirements in order to qualify for the full CVT Revenue Sharing payment from the State of Michigan. One of the requirements is that documents be made available to the public for viewing. These documents can be found at <https://www.hartlandtwp.com/finance>.

A New Date for our Large Item Cleanup Day

This spring, our annual Large Item Cleanup Day was cancelled due to the stay-at-home order. We have rescheduled new **tentative** date for late fall. Mark your calendars for Saturday, September 19 from 9AM-12PM. As schedules and events remain fluid in these uncertain times, please check our website or social media channel for the most up-to-date news.

Hartland Living

Hartland Township, Hartland Schools, Hartland Chamber of Commerce and Cromaine Library have collaborated to bring our residents a one-stop community calendar for Hartland Happenings. Have a community or group event planned? Visit www.HartlandLiving.com/calendar/ for submission guidelines and to view upcoming events.

Although the township staff remains busy at work, we encourage residents to conduct township needs via phone or email when possible. Call our main line at (810) 632-7498 or find email contacts on our website, www.hartlandtwp.com.
