SUMMERTIME IN HARTLAND

Little Settlers Park Loop

The newest addition to Settlers Park is open for business! Little Settlers Park Loop is a mountain bike trail featuring Strider bike and kid’s mountain bike friendly elements. Kids can hop on the course (easily accessible from the Settlers Park parking lot on Clark Road) to practice new terrain before hitting the 3 full mountain bike loops that wind through the entirety of the park. A big “thanks” to all the volunteers from the Motor City Mountain Bike Association for their efforts with sponsorship from Cromaine District Library. We know this will be a beloved addition for many years to come!

Hartland Farmer’s Market

There’s never been a better time to visit your local Hartland Farmer’s Market! Not only is the market seeing more vendors than ever before, there’s also more variety. Stop by the Rural King parking lot on Saturdays from 9 AM- 2 PM for your choice of local produce, baked goods, meats, flowers, handcrafted items, and much more. Come often to experience live entertainment and special events. Interested in your own

space for the market? Contact Kathie at (810) 599-7603 for information on open vendor booths.

Ticks

As you move about outdoors in these warmer months, you may encounter ticks in our area. Please practice these tick safety tips to avoid these unexpected hitchhikers:

- Wear light-colored long sleeves and long pants.
- Check your body for ticks each time you come inside.
- Use bug spray containing DEET.
- Keep out of tick habitats like wooded, brushy areas.
