

FINANCIAL TRANSPARENCY

Each year Hartland Township must meet certain requirements to qualify for the full CVT Revenue Sharing payment from the State of Michigan. One of the requirements is that documents be made available to the public for viewing. These documents can be found at <https://www.hartlandtwp.com/finance>

HARTLAND PARK RULES:

- All dogs must be on a leash.
- Please clean up after your pet.
- No open fires.
- No glass containers.
- Parks are open from sunrise to sunset.

HARTLAND

Summer 2022

MEMORIAL DAY IN THE VILLAGE

Clear skies and high temps brought out a large assemblage of residents, visitors, and newcomers for our 87th Memorial Day Parade. After a two-year hiatus, the beloved events were welcomed back to our community with anticipation and excitement!

Weekend activities kicked off at the cemetery on Sunday evening for a night to “Remember & Honor” loved ones who have served their country. History Club alumni participated as re-enactors at veteran gravesites, educating the crowd with stories about the veterans and their contributions to our freedom. The evening concluded with a ceremony and “Taps” being played at dusk.

Memorial Day started early in the Village with a pancake breakfast along with a 5k run and 3k walk. Crowds filled the park in the morning hours to take part in the community events and have the best view of the Vintage Aircraft Flyover.

After a moment of silence at noon, the parade was ushered in by local veterans and featured various groups, organizations, and businesses. Our Grand Marshal was a familiar face to so many in our area. A Hartland resident of 45 years, Jan Doke has worked with generations of our children as a favorite coach and Safe Town instructor. Kids (of all ages) lit up when Coach Jan drove by!

As the parade wrapped up, the park filled with community members who stayed to grab a bite to eat, stroll through the park, and take in a concert put on by our Hartland High School Band.

A big “thank you” to all who came out to celebrate the weekend’s activities and bring our Memorial Day back with gusto! A special thanks to the Hartland Area Community Council who organized and executed the weekend’s events after many months of planning and hard work. Would you like to be a part of next year’s parade committee or get involved with Community Council year-round? Contact them at info@hartlandcommunitycouncil.org

Construction Ahead!

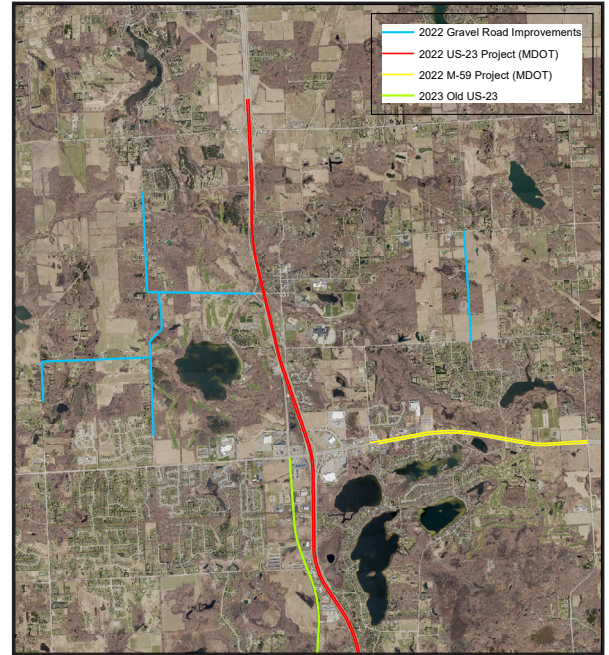

Although it's never news we look forward to hearing, we know that our roads will be in better shape when construction projects are completed. This construction season will be a big one in Hartland, with both M-59 and US-23 undergoing major updates. Although we will be happy to see these projects completed; as federally funded MDOT projects, we don't have a say in when they are undergone and often times there's not much of a notification before projects begin.

At Hartland Township, we had a few local road projects planned for this summer that will now be postponed until 2023.

With major roadways being closed over the warmer months, our local

roads will be seeing increased traffic and congestion. As a response, more dirt roads in the area will receive a limestone cap and Old US-23 will be rehabbed in partnership with LCRC and Federal Funding in 2023. Thanks to our voter approved "Safer Roads Plan", these projects will be completed from designated roads funds and not from Township general funds or an increase in taxes.

Notary Services at the Township Hall

Hartland Township provides notary public service at no charge to residents, taxpayers and business owners. A Notary Public is a public servant appointed by state government to witness the signing of important documents and administer oaths.

Documents are notarized to deter fraud and to ensure they are properly executed. An impartial witness (the Notary) identifies signers to screen out impostors and to make sure they have entered into agreements knowingly and willingly. In order to identify the signer, the Notary will ask to see a current identification document or card with a photograph, physical description and signature. A driver's license, military ID or passport will usually be acceptable.

Please call ahead to make an appointment if you have more than six documents. A Notary is required to witness your signature on a document, so please DO NOT SIGN your documents until the Notary advises you to do so.

Hartland Living

From outdoor concerts to markets and special events, Hartland Living is a one-stop community calendar for all Hartland Happenings. Have a community or group event planned this summer? Visit www.HartlandLiving.com for submission guidelines and to view upcoming events.
