## **Hartland Township Board Appoints New Township Manager**

**CONTACT:** Township Supervisor Bill Fountain, (810) 923-6016

**HARTLAND TOWNSHIP**—The Hartland Township Board of Trustees is proud to announce the appointment of Mike Luce as Township Manager, effective October 11<sup>th</sup>, 2023. Luce, who previously served as the Interim Township Manager, officially steps into the role to lead and oversee the operations of Hartland Township.

Luce's journey with Hartland Township began in 2021 when he joined the staff as Public Works Director. His prior experience in local government, which included over 17 years with the City of Howell, brought a wealth of knowledge and expertise to his role in Hartland. Luce stepped into the role of Interim Township Manager this past summer following the resignation of former Township Manager Bob West.

Throughout his career, Mike Luce has displayed a passion for public service and a dedication to enhancing the communities he serves. He brings a deep understanding of local government operations, community development, and municipality growth, making him the ideal candidate to lead Hartland Township into the future.

The Board expresses its sincere congratulations to Mike Luce on this well-deserved appointment and looks forward to working closely with him to achieve the Township's goals and objectives.
