

Performance Dashboard 2021

Local Unit Name: Hartland Township Local Unit Code: 47-1090

		FY 2020	FY 2021	% Change	Direction
	Total Dalingwork Course Cookiel Assessments	¢27.270	Ć90 14C	114 410/	Blomatica
	Total Delinquent Sewer Special Assessments	\$37,379	\$80,146	114.41%	Negative
	Higher delinquent special assessments puts Hartland Township's financial stability at risk, however, we see this as an anolomy due to the COVID pandemic and expect it to decrease back to previous years range.				
	Investment of General Fund in Capital Projects	\$820,185	\$513,148	-37.44%	Neutral
Financial Stability	Investing in and maintaining capital projects benefits infrastructure and growth in Hartland Township. Capital expenses may include facility and infrastructure improvements, specialized equipment, vehicles and planning or engineering services.				
Cla	Percent of Road Millage Spent (\$9,000,000)	61%	68%	10.98%	Positive
Fina	Stable spending of Hartland Township's road millage ensures funding for maintenance projects for the life of the millage. The Road millage was approved by the Hartland Township voters in 2014 for a duration of 10-years. Several improvements were put on hold during 2020 due to the pandemic.				
	Bond Rating	AA & AA2	AA & AA2	N/C	Positive
	A strong bond rating allows Hartland Township to secure lower interest rates. Investors in municipal bonds use credit ratings to assess the ability and willingness of the state or local government issuing the bond to pay investors their money back.
