HARTLAND TOWNSHIP PLANNING COMMISSION REGULAR MEETING DRAFT MINUTES December 20, 2018-7:00 PM

### 1. Call to Order - THE MEETING WAS CALLED TO ORDER BY COMMISSIONER THOMAS MURPHY AT 7:00 PM

#### 2. Pledge of Allegiance

#### 3. Roll Call

PRESENT: Joe Colaianne, Thomas Murphy, Larry Fox, Sue Grissim, Keith Voight

ABSENT: Jeff Newsom, Michael Mitchell

#### 4. Approval of Meeting Agenda

Motion to Approved Meeting Agenda

A Motion to approve the Meeting Agenda was made by Commissioner Colaianne and seconded by Commissioner Grissim. Motion carried unanimously.

RESULT: APPROVED [UNANIMOUS]

MOVER: Joe Colaianne, Trustee SECONDER: Sue Grissim, Commissioner

**AYES:** Colaianne, Murphy, Fox, Grissim, Voight

**ABSENT:** Newsom, Mitchell

#### 5. Approval of Meeting Minutes

a. Planning Commission - Regular Meeting - Oct 25, 2018 7:00 PM

A Motion to approve the Meeting Minutes of October 25, 2018, was made by Commissioner Grissim and seconded by Commissioner Voight.

RESULT: ACCEPTED [UNANIMOUS]
MOVER: Sue Grissim, Commissioner
SECONDER: Keith Voight, Secretary

**AYES:** Colaianne, Murphy, Fox, Grissim, Voight

**ABSENT:** Newsom, Mitchell

#### 6. Call to Public

None

#### 7. Public Hearing

None

#### 8. Old and New Business

. Site Plan #18-005, Checkers Walk-In Freezer

Director Langer gave an overview of the request stating the following:

- Recently opened next to BP gas station.
- Requesting a walk-in freezer behind the restaurant which typically must be either inside a structure
  or behind a screen wall that matches the building.
- Proposing to install a screen wall as the freezer is outside of the building.
- Primary building surface proposed is EIFS to match the building.
- Intend to re-install proposed landscaping there to another location on the site.

The Applicant, Seth Hursh, Marketing Manager for IB Corporation, owner of Checkers, introduced himself and offered more detail about the relocation of the landscaping materials stating they have been relocated to a couple of the nearby parking lot islands.

Chair Fox moved on to the staff review letter and touched on the high points.

Commissioner Murphy asked about the size of the freezer and how much space there will be between the freezer and the screen wall or building. The Applicant stated he knows the freezer will be attached to the wall with L brackets but he did not know how much space is in between the freezer and the wall. Commissioner Murphy stated he wants to confirm there would not be an egress or safety issue created. Director Langer gave the dimensions of the freezer and the slab concluding there would be a small space around the freezer and would most likely not create a safety issue.

#### **Commissioner Voight offered the following Motion:**

Move to approve Site Plan Application #18-005 a request to install a walk-in freezer and screen wall to the rear of the existing Checkers restaurant with drive-through service, in an existing tenant space, at 10440 Highland Road. Approval is subject to the following conditions:

- 1. The applicant shall adequately address the outstanding items noted in the Planning Department's memorandum, dated December 13, 2018, on the Construction Plan set, subject to an administrative review by the Planning staff prior to the issuance of a land use permit.
- 2. Applicant complies with any requirements of the Department of Public Works Director and Hartland Deerfield Fire Authority, Township Engineering Consultant, and other applicable governmental agencies.

Seconded by Commissioner Colaianne. Motion carried unanimously.

2. Applicant complies with any requirements of the Department of Public Works Director and Hartland Deerfield Fire Authority, Township Engineering Consultant, and other applicable governmental agencies.

Seconded by Commissioner Colaianne. Motion carried unanimously.

RESULT: APPROVED [UNANIMOUS]

MOVER: Keith Voight, Secretary SECONDER: Joe Colaianne, Trustee

**AYES:** Colaianne, Murphy, Fox, Grissim, Voight

**ABSENT:** Newsom, Mitchell

#### b. Site Plan #18-006, Shared Driveway, Fenton Road

Director Langer gave an overview of the request stating in order to divide the subject property into two (2) parcels and comply with the minimum zoning district standards for lot width and lot area, the applicant is proposing to establish a shared driveway easement that will provide the required access for each of the proposed parcels. He also stated the Applicants are requesting a six (6) inch gravel base rather than the eight (8) inches initially proposed.

The Applicant, Julie Diehl and her father, introduced themselves and explained they are looking to divide the property to build a home for the parents/grandparents and a shared driveway is a required component for access.

Chair Fox moved on to the staff review letter mentioning the various sections.

Director Langer stated the shared driveway is typically constructed prior to issuance of the Land Use Permit for the house which eliminates the need for taking escrow funds.

Chair Fox mentioned the Fire Authority has given their approval for the length of the driveway even though it exceeds 660 feet as it will have a "T" type turnaround.

Chair Fox stated the required Maintenance Agreement is currently being reviewed. Director Langer stated he used a previously approved agreement as a template for this agreement and does not anticipate any problems. It is currently under review by the Township Attorney.

Chair Fox briefly explained the purpose of a Maintenance Agreement stating it serves as a recorded legal document to ensure the shared driveway is adequately maintained for perpetuity regardless of who the property owners may be.

Commissioner Murphy asked about the 660 foot limit for shared driveways. Director Langer explained he does not know why that is the case here in Hartland Township but that number is very common in many communities. The thought behind it is from a fire safety standpoint, fire trucks have difficulty backing up long distances and going down that far creates some concern. The other reason is if one has a long cul-de-sac road and something happens where the access is blocked, it could create a problem for the property owners trying to exit or emergency services trying to enter. As long as a fire truck can turn around via a cul-de-sac or "T" turnaround, the Fire Authority does not typically have concerns.

The Planning Commission briefly discussed revisiting the 660 foot shared driveway length issue.

**Commissioner Grissim offered the following Motion:** 

Move to approve Site Plan #18-006, for a shared driveway on the property located at 5210 Fenton Road with the following conditions:

- The applicant shall adequately address the outstanding items noted in the Planning Department's memorandum, dated December 13, 2018, on the Construction Plan set, subject to an administrative review by the Planning staff prior to the issuance of a land use permit.
- The applicant shall comply with any requirements of the Township Engineering Consultant, Department of Public Works Director, and Hartland Deerfield Fire Authority.
- The applicant shall revise the proposed maintenance agreement consistent with any recommendations of the Township Attorney.
- The applicant shall acquire the necessary permits from Livingston County, as well as any other governmental agency.

Seconded by Commissioner Colaianne. Motion carried unanimously.

RESULT: APPROVED [UNANIMOUS]
MOVER: Sue Grissim, Commissioner

**SECONDER:** Joe Colaianne, Trustee

**AYES:** Colaianne, Murphy, Fox, Grissim, Voight

**ABSENT:** Newsom, Mitchell

#### 9. Call to Public

None

#### 10. Planner's Report

Director Langer reported the following:

- The Township is looking at installing a screen for the projectors and he has been charged with asking the Planning Commission on which side of the room should it be installed. The Planning Commission indicated the south wall.
- The Ordinance Review Committee has been meeting to discuss the Industrial and Light Industrial
  Architectural Standards. They would like to better identify what is the concern that needs to be addressed in
  this ordinance amendment; is it the cost, the construction, reducing the requirement for high cost materials
  that drive up construction cost, or something else?

Chair Fox replied his recollection is to make sure the Planning Commission is comfortable with what the standards are as they have not been reviewed for at least the 14 years he has been serving on the Commission. It was not the need to change them as much as it was the need to review them. If one looks at buildings constructed to those standards, is that what the Planning Commission wants future Industrial or Light Industrial buildings to look like: are the standards too high, too low, or about right? The Planning Commission is looking for pictures and examples of what the current standards are so they can decide if they are comfortable with those standards.

Director Langer went on to explain that as research is ongoing, they are finding many communities do not have architectural standards, for Industrial or Light Industrial structures, or if they do, they are very similar to the current Hartland Township standards.

The Director and the Planning Commission discussed the following:

- Metal siding on garage doors makes that elevation have more metal siding than might otherwise be permitted.
- It was proposed to exempt garage doors or require garage doors to be on elevations not visible from the street.
- There is concern about limiting the location of garage doors.
- Planning Commission would like examples of what is out there now, such as Clyde Road.
- In the past, one applicant was non-compliant due to the garage doors and was required to add more brick to offset the doors. Is that what the Planning Commission intends?
- Industrial vs. Commercial facilities are in different districts and have different requirements.

The Planning Commission briefly discussed the process for a fire department to extinguish a rural area house fire and the equipment used which may have helped to determine the 660 foot shared driveway limit.

The Planning Commission also briefly discussed the possible impacts of restaurants adding external freezer units, and the reasons for doing so.

#### 11. Committee Reports

None

#### 12. Adjournment

Motion to Adjourn

A Motion to adjourn was made by Commissioner Voight and seconded by Commissioner Murphy. Motion carried unanimously. The meeting was adjourned at approximately 7:38 PM.

RESULT: APPROVED [UNANIMOUS]

**MOVER:** Keith Voight, Secretary

**SECONDER:** Thomas Murphy, Commissioner

**AYES:** Colaianne, Murphy, Fox, Grissim, Voight

**ABSENT:** Newsom, Mitchell

Keith Voight Planning Commission Secretary

## RULES AND PROCEDURES (BY-LAWS)

Originally adopted December 16, 2010 Last Reviewed and Reaffirmed January 11, 2018

#### I. INTRODUCTION

The basic responsibilities of the Hartland Township Planning Commission are contained in the Michigan Planning Enabling Act, Public Act 33 of 2008 and the Michigan Zoning Enabling Act, Public Act 110 of 2006, each as amended. Each of these Acts grants specific jurisdiction to a Township Planning Commission in matters of land use planning and associated public concerns. These rules of procedure will be followed by the Hartland Township Planning Commission. Also presented are the general operating regulations for the Hartland Township Planning Commission. Regular meetings, special meetings, public records, agendas, quorum, disqualification, order of business and parliamentary procedures will be outlined.

#### II. DUTIES OF THE PLANNING COMMISSION

The Planning Commission shall perform the following duties:

- Prepare, review and update the master plan (Township Comprehensive Plan) as a guide for development.
- Take such action on petitions, staff proposals and Township Board requests for amendments to the Zoning Ordinance as required.
- Take such action on petitions, staff proposals and Township Board requests for amendments to the master land use plan as required.
- Prepare an annual written report to the Township Board of the Planning Commission's operations and status of planning activities, including recommendations regarding actions by the Township Board related to planning and development.
- Prepare an annual work program and budget.
- Review subdivision and condominium proposals and recommend appropriate actions to the Township Board.
- Prepare special studies and plans, as deemed necessary by the Planning Commission or Township Board and for which appropriations of funds have been approved by the Township Board, as needed.
- Attend training sessions, conferences or meetings as needed to properly fulfill the duties of Planning Commissioner and for which appropriations of funds have been approved by the Township Board, as needed.
- Prepare a Capital Improvements Plan.
- Perform other duties and responsibilities or respond as requested by any Township Board or Commission.

#### III. RULES OF ADMINISTRATIVE PROCEDURE

The following rules of procedure were adopted and are periodically reaffirmed by the Township Planning Commission to facilitate the performance of its duties and the exercising of its responsibilities, functions and powers.

Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 2 of 8

#### 1.0 OFFICERS

#### A) **ELECTION**

The Commission shall, at its first regular meeting of the calendar year, elect from among the voting members, a Chair, Vice–Chair, and Secretary. All elected officers are eligible for reelection.

#### **B) TENURE**

The Chair, Vice-Chair and Secretary shall take office immediately following their election and shall hold office for a term of one year or until their successors are elected and assume office.

#### C) DUTIES OF THE CHAIR/VICE-CHAIR

- The Chair shall preside at all meetings and perform such other duties as may be ordered by the Commission.
- The Chair shall appoint all committee members, for a term of one year. The Chair may reassign members or re-designate Committee members at his/her discretion. The Chair shall be an ex-officio member of all committees.
- All communications, petitions and reports shall be globally addressed to the Commission and delivered or mailed to the Township Hall attention the Chair or Township Planner.
- The Vice-Chair shall act in the capacity of the Chair in his/her absence. In the event the
  office of the Chair becomes vacant, the Vice-Chair shall succeed to this office for the
  unexpired term and the Commission shall select a successor to the office of Vice-Chair for
  the unexpired term.

#### D) DUTIES OF THE SECRETARY

The Secretary shall execute all documents in the name of the Commission, perform the duties listed below, and shall perform such other duties as the Commission may determine.

#### 1. MINUTES

- The Secretary shall be responsible for the minutes and they will be maintained in suitable volumes at the Township Hall. Copies of the draft minutes will be provided to all voting Commission members in the packet of information with the agenda for the meeting in which they are to be approved. The minutes shall contain a brief synopsis of the meeting, including a complete restatement of all motions and record of votes, conditions or recommendations made on any action and record of attendance.
- After minutes from a previous meeting are approved by a majority of the Commission at subsequent meeting, they will be signed by the Secretary and forwarded to the Township Clerk.
- The minutes of the Commission meetings shall be filed in the office of the Township Clerk as a public record and no official action taken by the Commission at any meeting shall be validated or effective until a copy of the minutes of the meeting at which such action was taken shall be filed with the Township Clerk.
- The Township Clerk shall keep a record of the Commission transactions, findings, and determinations, which shall be a public record. These records shall be suitably filed in the offices of Hartland Township by the Clerk's office with a duplicate copy kept in the Planning Department's files. All meetings, minutes, records, documents, correspondence and other materials of the Planning Commission shall be open to public inspection in accordance with the Freedom of Information Act, except as may otherwise be provided by law.

#### 2. CORRESPONDENCE

Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 3 of 8

When assigned, the Secretary shall be responsible for issuing formal written correspondence with other groups or persons, as directed by the Planning Commission. All communications, petitions, reports or other written materials received by the Secretary shall be brought to the attention of the Planning Commission.

#### 3. RECORDING SECRETARY

The Commission may appoint a Recording Secretary, who shall be an employee of the Commission and be reimbursed for his/her services by the Township. The Recording Secretary shall make a record of Commission proceedings and carry out other assignments as delegated from time to time by the Commission or Secretary. The Recording Secretary under the direction of the Secretary may execute any of the Secretary responsibilities defined above.

#### E) <u>DUTIES OF THE TOWNSHIP BOARD REPRESENTATIVE</u>

The Township Board representative shall present the recommendations of the Planning Commission as required by the Zoning Ordinance, Subdivision Ordinance or other Ordinance to the Township Board prior to their consideration of such request. The representative will also update the Township Board of other efforts undertaken by the Planning Commission, such as subcommittee progress, ordinance revisions, etc.

#### F) DUTIES OF THE ZONING BOARD OF APPEALS REPRESENTATIVE

The Planning Commission representative to the Zoning Board of Appeals shall report the actions of the Zoning Board of Appeals to the Planning Commission and update the Zoning Board of Appeals on actions by the Planning Commission that relate to the functions and duties of the Zoning Board of Appeals.

#### 2.0 MEETINGS

#### A) REGULAR MEETINGS

The regular meetings of the Hartland Township Planning Commission will be held the second and fourth Thursdays of every month at a time to be determined by the Planning Commission at the meeting in which the regular meeting schedule is adopted or as otherwise designated by the Chair of the Planning Commission. When the regular meeting day falls on a legal holiday or when an occasion of special importance takes place, the Chair shall select a suitable alternative day in the same month. Prior to the end of the year, the Chair will submit to the Planning Commission the regular meeting schedule for the upcoming year, for their approval. The adopted schedule will become the regular schedule of the subsequent year and will be posted at the Township Hall within ten (10) days after the first Planning Commission meeting of the New Year in accordance with the Open Meetings Act

Ideally, all meeting agendas will also be posted at the Township Hall at least one week prior to the meeting and will be provided to Hartland TV for advertisement on the local cable network. All meeting notices shall be in accordance with the Open Meetings Act.

#### B) **SPECIAL MEETINGS**

In addition to the bi-monthly regular meetings, the Commission may also periodically conduct special meetings. There are three kinds of Special Meetings that may be called by the Planning Commission. The various special meeting types are discussed below:

• **Special Meeting A**: A special meeting may be called to convenience applicants with matters before the Planning Commission for consideration, provided that the petitioners' application for special meeting shall be accompanied with appropriate fees, as established

Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 4 of 8

by resolution of the Hartland Township Board. The Planning Department shall give special meeting petitions to the applicant. Once the Planning Department verifies that the appropriate fees have been received, the Department shall forward the application to the Planning Commission Chair. The Chair shall give notice of the special meeting by means of notice delivered to each member at least seventy-two (72) hours prior to such meeting and shall state the purpose, item, and place of the meeting.

- Special Meeting B: A regular meeting called by the Chair or majority of the Planning
  Commissioners for the expressed purpose of addressing normal and typical business that
  comes before the Commission. For example, a special meeting may be called for urgent
  township business that cannot await action until the next regularly scheduled meeting. If a
  special meeting is required to satisfy statutory deadlines (such as required by the
  Subdivision Control Act), then additional applicant fees may be waived.
- Work Session: A work session is another form of special meeting held by the Planning Commission. Work sessions may be held for subcommittee meetings (fewer than three Planning Commission members present) or for a meeting of the full Commission for general discussion to further a specific purpose. Generally, discussion and action for items intended for Regular Meetings will not be acted on during a work session, especially since a quorum may not be present. In the interest of satisfying the Open Meetings Act, all work sessions involving the whole Planning Commission shall be duly advertised to permit the public to attend.

Notwithstanding the foregoing descriptions of the three types of special meetings held by the Planning Commission, a meeting shall be a legal meeting if enough members of the Planning Commission are present to constitute a quorum and minutes will be prepared.

#### C) QUORUM

Four (4) members shall constitute a quorum for the transaction of business and the taking of official action. Whenever a quorum is not present, those present may adjourn the meeting to another time and day, in accordance with the provisions of the Open Meetings Act, or hold the meeting to consider the matters on the agenda. No action shall be taken at a meeting at which a quorum is not present.

#### D) VOTING

An affirmative vote of the majority of the Planning Commission membership is required to adopt any part of the master plan or amendments to the plan (MCL 125.328). Unless required by statute, other actions or motions placed before the Planning Commission may be adopted by a majority vote of the membership in attendance, as long as a quorum is present. Voting shall be by voice vote; a roll call vote shall be required if requested by any commission member or directed by the Chair. Except in the case of conflict of interest, all Planning Commission members, including the Chair, shall vote on all matters.

Voting shall be recorded by verbal "yeas" and "nays" unless otherwise ordered by a PC member.

#### E) NOTICE

The Township Planner shall oversee the issuance of such notice as may be required by the Planning Commission, including Open meetings Act notices, as well as notice required for specific planning or zoning actions under the Michigan Planning Enabling Act of the Michigan Zoning Enabling Act. Verification of such notice shall be provided to the Planning Commission prior to the date and time of the public hearing.

#### F) AGENDA

#### Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 5 of 8

The Chair with information and documentation provided by staff and consultants shall determine when items are to be placed on the agenda. The staff shall then prepare the agenda in its written form for distribution.

All regular and special meetings shall conduct business in the following order:

- 1. Call to Order
- 2. Pledge of Allegiance
- 3. Roll Call and Recognition of Visitors
- 4. Approval of Meeting Agenda
- 5. Approval of Minutes for past meetings or work sessions
- 6. Call to Public
- 7. Public Hearing(s)
- 8. Old and New Business
- 9. Call to Public
- 10. Planner's Report
- 11. Committee Reports
  - Correspondence Received
    - Committee Reports from Planning Commissioners
    - Report from Township Board Representative
    - Report of Zoning Board of Appeals Representative
- 12. Adjournment

Note: The agenda may be modified to include a work session following a brief recess of the regular meeting.

#### **G) PARLIAMENTARY PROCEDURES**

Except where otherwise specified, meetings shall be conducted according to <u>Robert's Rules of Order (21st CENTURY ROBERT'S RULES OF ORDER COPYRIGHT 1995)</u>, except to the extent contradicted by these rules and procedures, and with the exception that the Chair shall vote.

#### H) MOTIONS

The Chair or Recording Secretary shall repeat complex motions before a vote is taken. The names of the persons making the motion and its second shall be recorded in the meeting minutes. The meeting minutes shall show the count of the vote with the "nays" being identified.

#### 3.0 COMMITTEES

In order to facilitate the orderly review of matters before the Commission, the following standing committees are created:

#### A) SITE PLAN REVIEW COMMITTEE

The Committee shall include two (2) Planning Commission members. The Committee will review site development plans as provided by the Township Zoning Ordinance in an informal manner through meeting with the developer/applicant. Upon receiving a complete application for an informal Site Plan Review, the Planning Department will schedule a meeting with the Site Plan Review Committee and the applicant. The Committee will update its findings and

Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 6 of 8

brief the Planning Commission when the informal review is complete. The makeup of the Committee may vary depending on the number of site plan reviews occurring and individual Planning Commissioner time constraints.

#### B) OTHER COMMITTEES

The Chair may appoint other committees from time to time, which serve to assist the Planning Commission in discharging its responsibilities.

#### C) APPOINTMENTS AND VACANCIES

The Chair shall make appointments to these committees. The length of appointment shall be for one (1) calendar year. These committees shall meet as needed to consider the referrals given to them by the Township Planner. The Committees will review applications and make their recommendations to the Planning Commission.

If a vacancy occurs on the Planning Commission that affects the standing committee appointments, the Chair shall appoint replacement members to complete the balance of the year.

#### 4.0 PROCEDURE FOR PUBLIC PARTICIPATION

A limit of three (3) minutes per participant during the call to the public shall be permitted for any written or oral statements. The unofficial policy of the Commission will be to accept public input during the meeting for topics under discussion. If necessary, the Chair may set time limits for public participation during any meeting to ensure an orderly meeting.

All public hearings must be held as part of a regular or special meeting of the Planning Commission. The following rules of procedure shall apply to public hearings held by the Planning Commission:

- Chair opens the public hearing and announces the subject.
- Chair summarizes the procedures/rules to be followed during the hearing.
- Township planner/engineer/other consultants present their report and recommendation.
- Applicant presents the main points of the application.
- Public at large is invited to speak in support or opposition to the application.
- Chair closes the public hearing and returns to the regular/special meeting.

To ensure everyone has the opportunity to speak, the Chair may elect to limit the time permitted to speak, except that the applicant may be permitted additional time as the Chairperson allows. The Chair may also elect to allow persons to speak only once, until all persons have had the opportunity to speak, at which time the chairperson, in his/her discretion, may permit additional comments.

All comments by the public, staff and the Planning Commission shall be directed to the Chair. All comments shall be related to the application under discussion; unrelated comments shall be ruled out of order.

#### 5.0 CONFLICT OF INTEREST

Planning Commission members shall declare a conflict of interest and abstain from participating in a hearing or deliberations on a request when:

**A)** The applicant is an immediate family member or relative;

#### Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 7 of 8

- **B)** The Planning Commission member has a business or financial interest in the property involved in the request or has a business or financial interest in the applicant's company, agency or association;
- **C)** The Planning Commission member owns or has a financial interest in neighboring property. For purposes of this section, a neighboring property shall include any property falling within the notification radius for the proposed development, as required by the Zoning Ordinance or other applicable ordinance, or
- **D)** There is a reasonable appearance of a conflict of interest, as determined by the Planning Commission member declaring such conflict.

The Planning Commission member declaring a conflict of interest shall state the nature of the conflict and whether he or she believes they could impartially consider the request before the commission. He or she should individually decide to abstain from any discussion or votes relative to the matter that is the subject of the conflict. The member declaring a conflict may absent him/herself from the room in which the discussion takes place, unless doing so would violate his or her constitutionally protected rights to participate. He or she should not make any presentations to the Planning Commission as a representative of the proposal.

#### 6.0 ANNUAL ORGANIZATIONAL MEETING

An annual organizational meeting shall occur at the first regular meeting of January for election of a Chair, Vice-Chair and Secretary.

#### 7.0 PLANNING COMMISSION ASSISTANCE

#### A) Duties of the Township Planner

- Accept applications for matters to be reviewed by the Planning Commission and ensure that such applications are complete.
- Forward application materials to the Planning Commission at least one week prior to the meeting at which the matters will be considered.
- Inform the Planning Commission of administrative and enforcement actions taken on behalf of the Township related to the zoning or other appropriate ordinance.
- Prepare amendments to the Zoning Ordinance as directed by the Planning Commission.
- Attend regular Planning Commission Meetings and Work Sessions.
- Consult with the Planning Commission and other township officials concerning interpretation, procedural questions and other matters arising from the Zoning Ordinance.
- Prepare written reviews and recommendations, if appropriate, for all requests and development proposals to be considered by the Planning Commission.
- Meet with applicants, their representatives and/or township officials as needed to properly perform project reviews.
- Prepare an annual report regarding development activities and status of projects as they relate to the Planning Commission's duties as described.
- Perform other duties as directed by the Planning Commission.

#### B) Assistance From Other Professionals

 The Planning Commission may be assisted by other professional or township staff as needed, including the building inspector, township attorney, township engineer, consultants or other persons or agencies. Hartland Township Planning Commission By-Laws Originally approved Dec. 16, 2010; Last Reviewed and Reaffirmed January 11, 2018 Page 8 of 8

#### 8.0 AMENDMENTS TO RULES AND PROCEDURES

Amendments to these rules and procedures may be initiated by any member of the Planning Commission at any regular meeting and voted upon. To make certain the By-Laws reflect current Commission practice, it is recommended that they be reviewed and reaffirmed annually.

#### **MEMORANDUM**

Date: February 7, 2019

To: Hartland Township Planning Commission

From: Planning Department

Subject: Panda Express – Amend Planned Development and Site Plan Application

#19-002-Request to construct an approximate 2,300 square foot Panda Express Restaurant, with one drive-through window, within the Hartland Towne Square development (Outlot #8) Project site is located north of Highland Road (M-59), south of Hartland Square Drive, and west of Hartland

Road (Tax Parcel ID #4708-21-400-074)

#### **Applicant Information**

Applicant Norr Architects and Engineers

150 W. Jefferson Avenue

Suite 1300 Detroit, MI 48226

#### **Site Description**

The Hartland Towne Square Planned Development (PD) is located north of Highland Road (M-59) and west of Clark Road in Section 21 of Hartland Township. The entire commercial development is approximately 81.34 acres in size and is comprised of multiple parcels. The subject site is located north of Highland Road (M-59), south of Rovey Drive, west of Clark Road. On the development plan for Hartland Towne Square (Final Plan dated June 18, 2008), the subject site is labeled as Outlot #8. The site is currently vacant; however, the site was prepared for development when Hartland Square Drive was constructed.

The plans indicate the subject site is approximately 1.147 acres in area, which is slightly smaller than the Final Plan, which indicates Outlot #8 as 1.64 acres. The subject site, Tax Parcel ID #4708-22-400-074, is under the ownership of Ramco RM Hartland SC, LLC. It is presumed that the property owner will request a land division to sell the approximate 1.147 acre parcel to the applicant and attach the remaining portion to another parcel.

Hartland Towne Square is zoned Planned Development (PD) and was approved in 2008.

#### Request

The applicant is requesting approval to amend the previously approved site plans for Hartland Towne Square Planned Development (PD) and construct an approximate 2,300 square foot Panda Express restaurant with one drive-through window, under Site Plan #19-002. In addition, the existing Planned Development does not permit any additional drive-through restaurants, so the applicant is requesting an amendment to the PD to permit an additional drive-through restaurant.

#### **Overview and Background Information**

The Hartland Towne Square Planned Development was approved by the Township on March 18, 2008, under SP #429F. The approved plans for PD include the Planned Development Agreement (the "Agreement"), the Pattern Book for Hartland Towne Square (site design standards), and the Final Plan (detailed site and landscape plans). Together these documents provide the development standards for Hartland Towne Square PD. Six amendments to the PD have occurred between 2008 and 2017 as outlined below:

#### 1<sup>st</sup> Amendment

The first amendment to the PD was approved on July 1, 2008. The Agreement, Final Plan (Amended Final Plan, dated June 18, 2008), and Pattern Book (Rev. NO. 3 dated June 18, 2008) were updated in conjunction with the construction of Meijer's.

#### 2<sup>nd</sup> Amendment

The second amendment to the PD was approved on August 6, 2008 which facilitated the granting of certain alternate access easements within the PD site. The second amendment did not require changes to the previously approved site plans (Amended Final Plan) or Pattern Book.

#### 3<sup>rd</sup> Amendment

On January 20, 2009, the third amendment to the PD Agreement was approved. The text of Paragraph 21 of the PD Agreement (Integration) was amended to establish the required signatories of any amendment to the PD Agreement. Changes to the Amended Final Plan and Pattern Book were not required.

#### 4<sup>th</sup> Amendment

The fourth amendment was approved on March 30, 2009, which amended the text of Paragraph 14.3 of the Agreement as it related to the newly configured Hartland Road and the granting of the Highway Easement to the Livingston County Road Commission. Changes to the Amended Final Plan and Pattern Book were not required.

#### 5<sup>th</sup> Amendment

On August 4, 2010, the fifth amendment was approved. The text of Paragraphs 2 (Intent) and Section 6.6.4 (Signs) were amended to provide for the incorporation of approved amendments to the Agreement into the Final Plan and to provide for the relocation of and replacement of a directional sign to direct traffic to businesses on Rovey Drive. Drawings of the directional sign and revised site plans showing the location of the sign are incorporated into the fifth amendment document and as part of Sign Application #715. The Amended Final Plan and Pattern Book were not formally amended.

#### 6<sup>th</sup> Amendment

On February 7, 2017, the Township Board approved the sixth amendment, which amended the wall sign standards as outlined in the Hartland RAMCO Planned Development Agreement (Section 6.6.3) and Hartland Towne Square Pattern Book (Page 28), under Site Plan Application #439A.

#### Other History

In 2008, several site plan applications were submitted for commercial buildings within the Hartland Towne Square development; however, the projects were not approved by the Township. Currently, Hartland Towne Square includes the following businesses; Meijer's, Taco Bell, Belle Tire, Tim Horton's/Cold Stone Creamery and Culver's. Additional approvals include the following projects:

- On January 12, 2017, the Planning Commission approved Site Plan Application #544, a request to construct an approximate 64,400 square foot Emagine Theatre, to be located in the area bounded by Hartland Road and Hartland Square Drive, within the Hartland Towne Square PD.
- On June 22, 2017, the Planning Commission approved Site Plan Application #17-008, a request to revise previously approved plans under SP #544 and reduce the size of the Emagine Theatre building from 64,400 square feet to 55,132 square feet.
- On January 25, 2018, the Planning Commission approved Site Plan Application #17-019, a request to construct an approximate 2,900 square foot Flagstar Bank, with three (3) drive-through windows, to be located at the northwest corner of Hartland Road and Highland Road (M-59).

The 2008, PD Agreement outlines allowed and prohibited uses within the PD development in Section 3 (*Permitted Uses, Limitations, and Prohibited Uses*). Per Section 3.1.16, drive-through service is permitted for up to seven establishments within the development, including two for restaurant uses and one drive-through service for a bagel, donut, or coffee shop. Tim Hortons is considered a coffee/donut shop. Currently, one restaurant has a drive-through window (Taco Bell). The request for Culver's is considered the second and final drive-through service for a restaurant use. The property owner (Ramco Hartland TRS, Inc.) has acknowledged this in a letter dated May 3, 2017. Also, the plans have been reviewed by the owner and the owner has approved the plans and the sign program as noted in the letter dated June 9, 2017.

As a point of clarification, a separate special use permit is not required for the drive-through use as it is a permitted use in the PD Agreement.

#### **Planned Development Procedure**

New construction within the Hartland Towne Square PD must go through the Township's standard site plan approval process with review and approval by the Planning Commission. The proposed project will be reviewed for compliance with applicable standards with the Planned Development Agreement, Pattern Book, Final Plan, and the Township's Zoning Ordinance as applicable. The Planning Commission has Site Plan review authority and will make a final decision on Site Plan #19-002.

The amendment to the PD will require Township Board approval; after the Planning Commission has made a recommendation.

#### **Current Project Summary**

#### AMEND PD (PLANNED DEVELOPMENT AGREEMENT FOR HARTLAND TOWNE SQUARE)

Section 3.1.16 of the PD Agreement states "drive-through service shall be permitted for up to seven establishments within the development including one drive-through for Major A, one for Major B, two for non-restaurant uses, two for restaurants and one drive-through for a bagel, donut or coffee shop." As a result, only two (2) drive-through windows are permitted for restaurants in the development. Taco Bell and Culver's currently occupy those drive-through windows. The applicant is requesting to amend this provision to permit three (3) restaurants to include a drive-through. Also, with the addition of another drive-through restaurant, this will increase the total number of drive-through businesses from seven (7) to eight (8). These are the

two (2) provisions that are requested to be amended. The amendment to the PD requires the Planning Commission to make a recommendation to the Township Board.

## SITE PLAN #19-002 (REQUEST TO AMEND FINAL PLAN AND CONSTRUCT PANDA EXPRESS RESTAURANT)

#### **Existing Site Conditions**

The site for the proposed Panda Express restaurant is generally considered to be Outlot #8 on the Final Plan. This area is bounded by Highland Road (M-59) on the south and Hartland Square Drive on the north, and is west of the Taco Bell restaurant. The site is vacant of buildings but was prepared for development when Hartland Square Drive was constructed.

The plans show an access point to Hartland Square Drive and connections to the Taco Bell restaurant site, to the east, and a connection to the vacant property, to the west. Utilities (water and sewer) are available and a stormwater management plan is in place for the entire Hartland Towne Square PD development.

A landscaped area is in place on the subject site, along the frontage of Highland Road. The landscaping was installed as part of the development of the PD sites (outlots) along Highland Road and generally follows the 2008 PD landscape plan (see landscape plan for Outlot # 8 of the PD landscape plan).

#### **Overview of the Proposed Use**

The applicant proposes to construct an approximate 2,300 square foot Panda Express restaurant with one drive-through window, on the west side of the building. Nine (9) stacking spaces are provided in the drive-through lane, with five (5) spaces before the ordering station.

The restaurant will operate seven days a week with the hours of operation from 10:00 A.M. to 10:00 P.M. Staffing includes a total of approximately 10 to 14 employees, primarily part-time positions. Typically there will be a maximum of five (5) to seven (7) employees, maximum, at any one time working at the restaurant.

The layout for Outlot #8 on the Final PD Plan shows an approximate 12,000 square foot retail building, parking area with 68 parking spaces, and landscaping. The applicant intends to modify the Final Plan and construct an approximate 2,300 square foot restaurant with one drive-through window. The proposed site layout is smaller than originally depicted.

#### **Impact Assessment**

No separate impact assessment is required for the proposed new use.

#### **Traffic Generation**

No separate traffic impact assessment is required for the proposed new use.

#### **Future Land Division**

As mentioned above, staff understands the property owner will apply for a land division to rearrange the parcel lines for Outlot #8 (Panda Express) and adjust the size of each parcel, in a separate application and process.

However, staff has discussed the land division with the owner of the property, which is also the developer for the entire PD. Staff has presented concerns with the way land divisions have previously been completed, whereby the right-of-way area for Hartland Square Drive and Rovey

Drive appear to be excepted from ownership of the adjacent parcels. This presents potential future concerns with the ownership and maintenance of both Hartland Square Drive and Rovey Drive, which are private roadways. The Planning Department's concern is that eventually, Hartland Square Drive and Rovey Drive could eventually become split off from all other parcels and become their own separate parcel. In that event, there would be no single business or entity responsible for the long term maintenance of these roads.

This is an issue that will need to be addressed at some point in the future. It is not the desire to hold up the current applicant on this matter; however, staff wanted to take the time to make both the applicant and the Planning Commission aware of this issue. Staff recommends that prior to any other future developments, an amendment to the PD, or some other document is performed that would establish a requirement for all properties to be liable for their share of private roadway maintenance and repair.

#### **Access and Circulation**

The site is accessed from a proposed driveway access to Hartland Square Drive and a access that connects to the eastern property, which is currently Taco Bell restaurant. A future connection is also provided to the undeveloped property to the west. At the time the western property is developed a connection will exist.

#### Requirements

**Lot Size** (Sec 3.1.18 of Zoning Ordinance)

- Required Min. 20 acres for a Planned Development (entire development area); minimum lot size undefined for individual parcel or lot
- Proposed 1.147-acre parcel for Panda Express site that is within the PD
- Meets Requirement? Minimum lot size undefined
- Comment (none)

#### **Frontage**

- Required Minimum Frontage undefined for individual lots with an approved Planned Development
- Proposed Approx. 224' along Highland Road/M-59 and approx. 227' along Hartland Square Drive
- Meets Requirement? N/A
- Comment (none)

#### **Building Setbacks** (Per approved Final Plan - Sheet SP 1.04)

Setback	Required	Proposed	Meets	Comment
			Requirements?	
			(Y / N)	
Hartland	20'	111.6'	Y	
Square Drive				
Highland	40'	51.2'	Υ	
Road (M-59)				

- Meets Requirement? Yes
- Comment (none)

Parking Lot / Driveway / Internal Roads Setbacks (Per Final Plan- Sheet SP 1.04)

Setback	Required	Proposed	Meets	Comment
			Requirements?	
			(Y / N)	
Front-	20'	20'	Υ	
Hartland				
Square Drive				
Front-	20'	20'	Y	
Highland				
Road (M-59)				

- Meets Requirement? Yes
- Comment (none)

#### **Building Height** (Per Final Plan- Sheet SP 1.04)

- Required Max. 35'
- Proposed 23'-6" to top of parapet wall of building
- Meets Requirement? Yes
- Comment (none)

#### **Lot Coverage**

- Required Undefined for a Planned Development, 75% for principal building in GC
- Proposed 65.11%
- Meets Requirement? Lot coverage undefined in the Planned Development standards
- Comment (none)

#### Site Requirements

#### Off-Street Parking (Per approved Pattern Book – Page 44)

- Required 1 space for each 100 square feet of gross floor area, equates to 23 parking spaces (2,300 gross Sq. ft. ÷ 100), 10' X 20' spaces
- Proposed 42 spaces, 10' X 20' spaces
- Meets Requirement? Yes, meets Pattern Book requirements and current parking standards
- Comment The requirement is 23 parking spaces; however, the applicant is providing 42 spaces, which exceed the required amount by 19 spaces. There is no requirement on a maximum number of parking spaces. Sec. 5.8 of the Zoning Ordinance requires 22 spaces per 1,000 sq. ft. of usable floor area plus spaces for employees during peak shift, plus10 stacking space, 5 of which must be in advance of the ordering station. Required parking per Sec. 5.8: usable area (1,027 sq. ft. dining area) requires 23 spaces, plus 7 spaces for employees at highest shift, equates to a total of 30 parking spaces. Nine stacking spaces are shown, with 5 spaces before the ordering station.

#### Barrier-Free Parking (Per ADA guidelines and approved Pattern Book – Page 44)

- Required 2 barrier-free spaces in a location most accessible to the building entrance, with at least 1 space van-accessible
- Proposed 1 van-accessible, and 1 barrier-free spaces, located near the entrance
- Meets Requirement? Yes
- Comments (none)

**Loading** (Per approved Pattern Book – Page 41)

- Required 10' X 50' loading area located away from primary/secondary entrances, not visible from the street, must be screened.
- Proposed –A note for a 10' by 50' loading area is shown in the drive aisle on the west side of the building
- Meets Requirements? TBD
- Comments Although a separate loading area is not provided, the plan shows a loading area in the drive aisle. The plan is consistent with other approved sites in the Hartland Towne Square PD which do not show a loading area.

#### **Dumpster Enclosure** (Per approved Pattern Book – Page 41)

- Required Service and refuse areas should be incorporated into the structure as much
  as possible and screened from view via a minimum 6' high masonry enclosure to match
  building with a solid framed door.
- Proposed A screened refuse enclosure, with two stalls and gates is provided in the northwest corner of the site, with size with 6-foot high brick screen wall. The plans on Sheet A-300 indicate the trash enclosure will be constructed with EIFS finish to match the building texture.
- Meets Requirements It appears that the primary building material on the building is brick. The applicant has indicated they intend for the dumpster enclosure to match the building; but in order to comply the building material would need to be changed.
- Comments The applicant has indicated to Township staff that if the Township desires the dumpster enclosure to be constructed of brick, then it will be constructed of brick.

**Lighting** (Per approved Pattern Book – Pages 23 and 44 and Section 5.13 of Zoning Ordinance)

- A. Light levels at Property Lines
  - Required Max. 0.5 fc along property line adjacent to residential, or 1.0 fc along property line adjacent to non-residential (Sec. 5.13 of Zoning Ordinance)
  - Proposed Max. 0.8 fc along west property lines; Max.0.5 fc along south property line; Max. 0.8 fc along east property line; Max. 0.7 fc along north property line
  - Meets Requirement? Yes
  - Comments (none)
- B. Average Illumination Levels
  - Required Between 2.4 and 3.6 fc (average) within main parking area, and up to 5.0 fc (average) at main building entrance(s) and main driveway(s) (Per Pattern Book
  - Proposed Average illumination within main parking area is 3.3 fc; average illumination at building entrance is 2.5 FC; average illumination at the main driveway (Hartland Square Drive) is 1.1 fc.
  - Meets Requirement? Yes
  - Comments (none)
- C. Maximum Illumination Level
  - Required Not defined in Pattern Book, max. 10.0 fc per Zoning Ordinance
  - Proposed Max. 8.6 fc
  - Meets Requirement? Yes
  - Comments (none)
- D. Fixture Height
  - Required Max. 28 feet (25-foot fixture on 3-foot base)

- Proposed 7 poles at 28 feet (pole with light fixture, 25 feet in height; and base, 3 feet in height)
- Meets Requirements? Yes
- Comments (none)

#### E. Fixture Type

- Required Light fixture styles shown on Page 23 of Pattern Book; Black shoe-box fully recessed, consistent with overall development.
- Proposed –LED, shoe box fixtures on square light poles, black, (single head and double head) to match poles in the PD; 1 wall pack, LED, 6 watt bulb, shielded/full cut-off, located at rear service door; 2 shielded wall sconce lights (LED or incandescent bulb) at entrance door
- Meets Requirement? Yes. Light fixture styles do not match previously approved light fixtures as shown in the Pattern Book.
- Comments –The proposed LED light fixtures would be more energy efficient
  than the previously approved light fixtures in the Pattern Book. The proposed
  light fixtures are shielded and prevent light trespass which is an improvement
  when compared to the previously approved light fixtures in the Pattern Book.
  The Planning Commission to determine whether the proposed light fixtures are
  consistent with the intent of the Pattern Book and that the photometric plan
  satisfies the requirements of the Zoning Ordinance and Pattern Book with
  respect to illumination intensity.

**Landscaping** (Per approved Pattern Book – Pages 10, 42, and 43 as well as approved Final Plan/Landscape Plan for Development Area 'E', for reference of existing plant materials) \*Please refer to the revised landscape plan dated February 5, 2019 (PDF version provided). The applicant has provided a waiver request, dated February 5, 2019, to use river rock in landscaped areas in place of shredded hardwood mulch.

#### A. Adjacent to Roads

#### Hartland Square Drive

- Required 1 deciduous or evergreen tree per 40 lineal feet of road frontage, PLUS 1 ornamental tree per 80 lineal feet of road frontage, PLUS 8 shrubs per 40 lineal feet of road
  - <u>Hartland Square Drive</u> (approx. 227 lineal feet of road frontage): 6 deciduous/ evergreen trees, 3 ornamental trees, and 45 shrubs REQUIRED
- Proposed 6 deciduous trees; 3 ornamental trees and 45 shrubs
- Meets Requirement? Yes Comments – (none)

#### Highland Road/M-59

- Required 1 deciduous or evergreen tree per 40 lineal feet of road frontage, PLUS 1 ornamental tree per 80 lineal feet of road frontage, PLUS 8 shrubs per 40 lineal feet of road frontage
- Highland Road (approx. 224 lineal feet of road frontage): 3-foot high berm plus 6 deciduous / evergreen trees, 3 ornamental trees, and 45 shrubs REQUIRED
- Proposed Existing berm and landscaping were previously installed and are to remain. Additional plantings are proposed. Total plant count (existing plus proposed plant material) is as follows: 6 deciduous trees (4 existing; 2 proposed); 5 existing ornamental trees; and 45 shrubs (25 existing; 20 proposed)
- Meets Requirement? –Yes
- Comments (none)

#### B. Berm Requirements

- Required Area adjacent to a public right-of-way (Highland Road/M-59) shall be required to have a berm, with berm to be a minimum three feet in height
- Proposed Existing landscaped berm along Highland Road /M-59
- Meets Requirements? Yes
- Comments (none)

#### C. Parking Lot Landscaping

- Required 10 sf of landscape area per parking space (420 sf of landscape area required for 42 parking spaces); 1 tree per 320 sf landscape area (1,257 sf landscape area proposed, equates to 4 trees required); 50% (minimum) of each island/landscaped area must be "sod, shrubs, etc." Shredded hardwood mulch is required.
- Proposed 1,257 sf of parking lot landscaping (490 sf required); and 4 parking lot trees (4 trees required). All interior landscape areas to be sodded or landscaped with a mixture of deciduous and evergreen shrubs and areas meet the 50% coverage.
- Meets Requirement? Yes for required square feet of landscaped area, 50% plant coverage, and number of required trees. TBD for use of river stone in place of shredded hardwood mulch.
- Comments The applicant is requesting a waiver to use river stone in place of shredded hardwood mulch.

#### D. Open Space Landscaping

- Required 1 tree per 3,000 square feet of open space; 9,068 sf open space / 3,000 equates to 3 trees
- Proposed 3 trees (1 deciduous and 2 evergreen trees)
- Meets Requirement? Yes
- Comments (none)

#### E. Total Required Landscaping

(Excluding berm along Highland Road /M-59)

#### **REQUIRED:**

Deciduous/Evergreen Trees: 13
Ornamental Trees: 3
Required Shrubs: 45
PROPOSED:

Deciduous/Evergreen Trees: 13Ornamental Trees: 3Shrubs: 45

(Berm along Highland Rd. per Final Plan & using 224' lineal ft. road frontage)

#### **REQUIRED PER FINAL PLAN:**

- Deciduous/Evergreen Trees: 6Ornamental Trees: 3Required Shrubs: 45
- Meets Requirement? Yes
- Comments applicant retaining existing plant material and adding trees and shrubs. Meets the required plant quantities.

#### F. Foundation Landscaping

Required –Foundation landscaping required as determined by the Township (Sec. 7.2 of Pattern Book, page 42).

- Provided planting beds provided on south and east sides of the building, varying in width from 3 feet to 8 feet, using a combination of plant material (ornamental trees and grasses), and river stone as mulch
- Meets Requirement? TBD
- Comment The applicant is requesting a waiver to use river stone in place of shredded hardwood mulch.

#### G. Landscaping Species

 Proposed – proposed tree species deviates from standards called for in the Pattern Book, including:

#### Tree species:

American Hornbeam is proposed and is not listed in the Pattern Book in the Tree category

- Meets Requirement? TBD
- Comments Plant diversity can be beneficial and can provide seasonal interest.
   Planning Commission to determine if the proposed plant material meets the intent of the plant list provided in the Pattern Book and are appropriate for the overall development.

**Architecture / Building Materials** (Per approved Pattern Book, Pages 24, and 36-38) \*The applicant has submitted an architectural waiver request for consideration by the Planning Commission, in a letter dated February 5, 2019. Architectural standards are noted below with additional comments at the end of this section.

PD Requirements Submitte	ed Materials	Meets Requirements? (Y / N)

aluminum siding		North Elevation	23.2%	N
*Fiberon-5" wide		East Elevation	8.2%	Υ
composite wood		West Elevation	18.8%	N
planks proposed				

- Meets Requirements? TBD
- Comments -
- <u>Building materials</u> –Fiberon is a composite wood product in 5" wide planks. This product is not specifically listed in the Materials Schedule, however it could be considered similar to the products listed under the category of "Wood, vinyl, or aluminum siding". Siding is limited to a maximum of 10% coverage on any façade. The north, south, and west facades exceed the 10% maximum and the applicant has submitted an architectural waiver request to exceed the maximum coverage. The Planning Commission is to consider the architectural waiver request to exceed 10% coverage on the north, south, and west facades.

#### **Pedestrian Access** (Per the approved Pattern Book)

- Required 7' sidewalk where adjacent to parking spaces and 5' sidewalk elsewhere; sidewalks required on all sides of the building where adjacent to parking.
- Proposed a sidewalk is provided along east side of the building, adjacent to parking, and varies in width from 6'-8" to 7'-4".
- Requirements Met? Yes
- Comments (none)

#### Other Comments:

- Roof appurtenances All rooftop equipment is to be screened behind the proposed parapet walls, per Sheet A-200 and A-201(revised elevations, PDF version only).
- <u>Transformer (north side of building)</u> screening of a transformer is required. The plan shows two ornamental trees on the north side of the transformer which provides some screening. Screening of the east and north sides of the transformer with landscaping is difficult due to spatial constraints and bike racks (east of transformer).
- <u>Bike Racks</u> Bike racks are provided north and east of the building and adjacent to parking.
- Ground Sign A monument sign is not shown on the plans. The Pattern Book provides design standards for a monument sign regarding size, height and type of building

- materials (Page 27A of the Pattern Book). A monument sign, if proposed, will be reviewed as part of a sign permit application.
- <u>Wall Sign</u> Wall sign standards are provided in the PD Agreement (Section 6.6). Signs will be reviewed as part of a sign permit application.

#### **Hartland Township DPW Review**

Please see the review letter from the Hartland Township DPW Director dated February 4, 2019. DPW approves the final plans subject to the contingencies noted in his letter.

#### **Township Engineer's Review**

Please see the review letter from Hubbell, Roth, and Clark (HRC) dated January 19, 2019 (attached). The Engineer recommends site plan approval subject to some items being addressed on the construction plans which they will review following site plan approval.

#### **Hartland Deerfield Fire Authority Review**

Please see the review letter from the Fire Marshal's office dated January 23, 2019 (attached). The Fire Authority recommends approval with some changes, as outlined in the letter.

#### Recommended Motion for Site Plan Application #19-002 (Construct Panda Express)

The Planning Department recommends the following motion to approve Site Plan #19-002:

**Move to approve Site Plan Application #19-002** a request to amend the previously approved plans for Hartland Towne Square Planned Development, to construct an approximate 2,300 square foot Panda Express restaurant with one drive-through window, including approval of the architectural and lighting waiver requests, with the following conditions:

- 1. The applicant shall adequately address the outstanding items noted in the Planning Department's memorandum, dated February 7, 2019, on the Construction Plan set, subject to an administrative review by the Planning staff prior to the issuance of a land use permit.
- 2. The applicant shall change the building materials of the dumpster enclosure to match the building elevations. Revised plans shall be submitted as part of a land use permit.
- 3. The applicant shall eliminate the proposed stone in the landscape beds and replace it with either lawn, mulch, or another acceptable material. Revised plans shall be submitted as part of a land use permit.
- 4. Applicant complies with any requirements of the Department of Public Works Director, Township Engineering Consultant, and Hartland Deerfield Fire Authority Fire Marshal.
- 5. (Any other conditions the Planning Commission deems necessary)

## Recommended Motion for Site Plan Application #19-002 (7<sup>th</sup> Amendment to Hartland Towne Square Planned Development Agreement and Amendment to the Pattern Book)

The Planning Department recommends the following motion to recommend approval of an amendment to the PD Agreement:

The Planning Commission recommends to the Township Board, to approve Site Plan Application #19-002, a request to amend the previously approved plans for Hartland Towne Square Planned Development, to permit up to three (3) drive-through restaurants in the Hartland Towne Square Planned Development (PD) and a total of eight (8) drive-through businesses, with the following conditions:

- 1. The Planning Commission has determined the proposed amendments to permit an additional drive-through restaurants/business within the Hartland Towne Square Planned Development (PD), would still be consistent with the original intent to limit the number of drive-through businesses within this development.
- 2. The Planning Commission has determined that the amendment will promote an additional restaurant development within the PD that is desirable and a good fit for the community and will add to the overall appeal of the Planned Development.
- The Planning Commission has determined that the proposed amendment will permit a restaurant business that will help contribute to the needs and desires of the entire community.

#### Approval is subject to the following condition:

 Prior to any future development in the Hartland Towne Square Planned Development, the developer shall establish adequate standards to ensure for the long-term maintenance and repair of Hartland Square Drive and Rovey Drive, subject to acceptance by the Township Attorney.

# HARTLAND

#### **DEPARTMENT OF PUBLIC WORKS**

Robert M. West, Public Works Director 2655 Clark Road Hartland MI 48353 Phone: (810) 632-7498

TO: Planning Department

DATE: 02/04/2019

DEVELOPMENT NAME: Proposed Panda Express (Outlet 8)

PIN#: Highland Road (M-59), (Tax Parcel ID #4708-21-400-074)

REVIEW TYPE: Site Plan

Site Plans for the proposed Panda Express facility requires seven (7) REUs of water and sewer each respectively.

	Sewer REUs	Water REUs	
Owned	0	0	
Required	7	7	
Cost Each	\$9,439.20	\$5,816.01	
Total Due Each	\$66,074.40	\$40,712.07	
TOTAL REU COST	\$106,786.47		

Public Works approves the above plans subject to applicant securing the required Livingston County permits and the inclusion of the following details:

- 1. Water main material, sizes and connection detail sheet.
- 2. Water service lead location, size and materials including fittings.
- 3. Sanitary sewer material and sizes and connection detail sheet.
- 4. Monitoring manhole for sewer connection and location.
- 5. Hydrant model #EJ5BR shown on plans.
- 6. Utility easements noted as public and related master deeds amended to reflect said easements.
- 7. A note stating the water main will be looped at a future date.
- 8. The applicant must submit the required paperwork for a Non-Domestic/Industrial Discharge Permit (IPP) to the Genesee County Drain Commissioner's Office Water & Waste Services.
- 9. All existing utility infrastructure within the development envelope will be required to be upgraded to the current design and engineering standards.
- 10. Digital as-built plans must be submitted upon completion of the project.
- 11. GIS utility files must be submitted to the Township upon completion of the project.

Please feel free to contact me with any further questions or comments regarding this matter, and thank you for your time.

Attn: Mr. Troy Langer, Planning Director

Re: Preliminary Site Plan Review

Panda Express

Section 21, Hartland Township

Dear Mr. Langer:

As requested, this office has reviewed the plans for the above project as prepared by Atwell Group (plans dated January 7, 2019). The following items will need to be addressed:

#### General

All permits are to be obtained prior to the start of construction. At this time, the
permits for this development may include: Livingston County Building & Utility
Services, LCDC Soil Erosion, and Hartland Township Water and Sanitary Sewer
Service.

#### Water Supply

- 1. All proposed water supply improvements must be designed in accordance with Hartland Township Engineering Design Standards.
- It appears that only a water service is proposed for this development and that no new fire hydrants are proposed. The proposed firefighting ability of the site will require the review and approval of the Hartland Deerfield Fire Authority. Additional water main and fire hydrant coverage may be required.

#### Sanitary Sewer

 All proposed sanitary sewer lead improvements must be designed in accordance with the current standards of the Livingston County Drain Commissioner's Office and will require their review and permitting.

#### Storm Drainage

- 1. The proposed storm water collection system must be designed in accordance with Hartland Township Engineering Design Standards.
- 2. Storm water detention for this site has been accounted for in the construction of the Hartland Towne Square development.

Mr. Troy Langer, Planning Director Panda Express January 19, 2019 HRC Job Number 20190071.20 Page 2 of 2

#### Paving & Grading

- 1. The proposed paving and grading improvements must be designed in accordance with Hartland Township Engineering Design Standards.
- 2. Include a proposed pavement cross-section on the plans in accordance with Township Standards.

Subject to these items being addressed in the construction plans, we have no objection to the approval of the preliminary site plan. One (1) complete set of the construction plans should be submitted to the Township Planning Department for review.

If you have any questions or require any additional information, please contact the undersigned.

Very truly yours,

HUBBELL, ROTH & CLARK, INC.

RE: Panda Express's request for Site Plan.

We have reviewed the conceptual layout plans for the above project as prepared by NORR Architects, Engineers & Planners Atwell Group (plans dated January 7, 2019, received by the Township on January 11, 2019). We have the following comments:

- 1. An address visible from the center of Hartland Square Drive right-of-way. (Ordinance #77-505.1)
- 2. All emergency lighting shall be on dedicated circuit(s) so they may be tested without disrupting business. The circuit(s) shall be labeled in the breaker box(es). (AHJ Requirement)
- 3. A fire alarm system is required for this building.
- 4. Duct Detectors shall report as a supervisory or trouble
- 5. A strobe or horn strobe shall be located on the exterior of the building, and visible from the centerline of Hartland Square Drive. (**AHJ Requirements**)
- 6. A remote enunciation sub panel shall be located at the main entrance of the building if the main panel is not easily accessible. (AHJ Requirement)
- 7. A Supra brand lock box to be installed prior to obtaining the certificate of occupancy from Livingston County Building Department. An order form has been attached with this review. (Hartland Township Ordinance #77-506.1.1)
- 8. A LadderPort<sup>TM</sup> Ladder Receiver (Type 1, Type 2, Type 3 or Type 4) to be installed for equipment and/or appliances are installed on the roof top, on the North facing side of the occupancy with year round accessibility by ground ladders. A catalog and order form has been attached with this review. (MBC 306.5 & Hartland Twp. Ordinance #77-504.1.1)
- 9. Plans for Commercial Hood Suppression Systems (if applicable) shall be submitted to our third party reviewer, Brighton Fire Dept. and reviewed. Once reviewed the prints will be available for pick-up and taken to the Livingston County Building Department so a permit can be pulled. \*NOTE: UL 300 system tests will be conducted using a "wet test" using an agent recommended by the manufacturer. (Hartland Twp. Ordinance #77-105.7.1.1)
- 10. Service drives shall meet 33,000lbs per axle. Weight and turning radius performance cut sheet for our most restrictive apparatus has been attached with this review. Please see that all turning radiuses and clearances are met. (County and Local Requirement)
- 11. Locations and quantities of Hazardous Materials (if any) shall be included. An HMIS form is included with this letter. (**AHJ Requirement**)

- 12. A Contact Sheet and a map of the occupancy shall be filled out and provided to the AHJ along with a key to be kept inside the Rapid Entry box on the building. (AHJ Requirement)
- 13. A site inspection upon completion is required before calling in for Certificate of Occupancy (**Zoning Ordinance Requirement**)

The Fire Marshals Office approves with the above contingencies the submittal. Any revised drawings affecting the Fire Department must be submitted for review.

Yours In Fire Safety,

Jenn Whitbeck Fire Inspector

RE:

Amendment to Hartland RAMCO Planned Development Agreement pertaining to Panda Express – Hartland Towne Square (4708-21-400-074)

Dear Troy,

Ramco RM Hartland SC LLC, property owner of the above referenced parcel, would like to request an amendment to the Hartland RAMCO Planned Development Agreement to permit a third restaurant with a drive through window as well as permit a total of eight (8) businesses with drive-through windows in the planned development for the benefit of Panda Express.

I may be reached at (248) 592-6326 with any questions and/or concerns, otherwise I look forward to your response.

Sincerely,

Ross S. Gallentine

Director of Construction

RSG/az

#### SEVENTH AMENDMENT TO PLANNED DEVELOPMENT AGREEMENT

#### RAMCO HARTLAND

THIS SEVENTH AMENDMENT ("Seventh Amendment") is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and among TOWNSHIP OF HARTLAND, a Michigan municipal corporation ("Township"), 2655 Clark Road, Hartland, Michigan 48353, RAMCO RM HARTLAND SC LLC, and RAMCO RM HARTLAND DISPOSITION LLC, Delaware limited liability companies (the two latter entities are collectively referred to as "Ramco"), with offices at 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334, and MEIJER REALTY COMPANY, a Michigan corporation ("Meijer"), whose mailing address is 2929 Walker Avenue, N.W., Grand Rapids, Michigan 49544.

#### **RECITALS:**

- A. On March 28, 2008, the Township and Ramco's predecessor in interest RAMCO HARTLAND, LLC ("Ramco Hartland") entered into a Planned Development Agreement (the "Agreement") for the development of real property located in Hartland Township, Livingston County, Michigan (the "Land"), known as the Hartland Towne Square Shopping Center (the "Development"). The Land is further described in Exhibit A attached hereto and made a part of this Seventh Amendment.
- B. The Agreement was recorded as Instrument No. 2008R-011710, Livingston County Records, on April 10, 2008, and the Agreement has since been amended by six (6) separate amendments, all of which have been recorded in the Livingston County Records (as used herein, the term Agreement shall include all such six (6) amendments).
- C. Ramco, Township and Meijer are the current parties to the Agreement.
- D. The purpose of this Seventh Amendment is to amend the text of paragraph 3.1.16 to permit one additional drive through for a restaurant, to amend and supplement the Final Plan for the Development to allow for such and incorporate each of the site plan attached hereto as <a href="Exhibit B">Exhibit B</a> and the plan sheet page attached hereto as <a href="Exhibit C">Exhibit C</a> into the Pattern Book and the Final Plan.

NOW, THEREFORE, it is hereby agreed as follows:

- 1. Capitalized terms used in this Seventh Amendment that are not defined herein shall have the meanings given to them in the Agreement.
  - 2. Paragraph 3.1.16 of the Agreement provides as follows:
    - "Drive through service shall be permitted for up to seven establishments within the Development including one drive through for Major A, one for Major B, two for non-restaurant uses, two for restaurants and one drive through for a bagel, donut or coffee shop."
- 3. Upon execution and recording of this Seventh Amendment of the Agreement, the original Paragraph 3.1.16 will be superseded and amended as follows:
  - "Drive through service shall be permitted for up to eight establishments within the Development including one drive through for Major A, one for Major B, two for non-restaurant uses, three for restaurants and one drive through for a bagel, donut or coffee shop."
- 4. In the event of any conflict between the terms of the Agreement and this Amendment, the terms of this Amendment shall govern and control. This Seventh Amendment to the Agreement shall be recorded with the Livingston County Register of Deeds.
- **IN WITNESS WHEREOF**, the parties have caused this Seventh Amendment to be executed and delivered on the day and year first above written.

Re: **Panda Express Restaurant** D6628 **Waiver Request** 

Dear Mr. Troy Langer and Ms. Martha Wyatt,

This letter is to request the following waivers to the Hartland Township Pattern Book for the proposed Panda Express Restaurant:

- River stone mulch in lieu of shredded hardwood mulch.
- Allowance of Fiberon on the building facades. Fiberon is a 5" wide composite wood plank. Percentage of Fiberon, over 10%, consists of the following elevations; north (23.3%), south (13.2%), and west (18.8%) facades.

We appreciate your consideration.

Sincerely,

Amy Conti, RA, LEED AP

The traffic Islands that are dispersed throughout the entire Hartland Towne Square will all be landscaped with a combination of deciduous canopy trees (Lindens, Maples, etc), deciduous and evergreen shrubs (Juniper/ Rose bush/ Gro-low sumac), perennials (Daylily, Black-eyed Susan), ornamental grasses (Pennisetum) and shredded hardwood mulch.

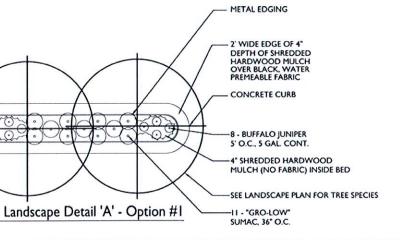

The various design options are intended to provide variety and seasonal interest to each of the parking areas. Each of the islands will be automatically irrigated.

HARTLAND TOWNE SQUARE HARTLAND TOWNSHIP, MICHIGAN

### **SECTION 3.0**

### **Architectural Characteristics**

For the Hartland Towne Square "Traditional" theme to be successful, it is necessary for the architecture of the buildings to reflect this theme. A consistent and harmonious design of the exterior of all buildings with no dissonant colors is essential in maintaining the overall visual effect and ambiance designed for this center. Through the use of these design criteria the development theme can be achieved. See example elevations included in Appendix C for reference.

Consistency of design, materials and color are vital elements contributing to the overall success of Hartland Towne Square.

The tenant design criteria have been developed accordingly, giving guidelines for design and material, yet allowing for flexibility and creativity.

The color palette is also vital, an overall "Earthtone" theme is necessary to create a consistent project. However, some materials such as brick, awnings and shingle roofs may not have this "Earthtone" tone, but must be harmonious. No dissonant colors allowed.. See color chart (Based on Benjamin Moore paints) in Appendix B.

It is understood that corporate identity is important to a tenant; however, these general concepts need to be adhered to in order to help enforce the "Traditional Theme". The tenant's design team is encouraged to review preliminary design concepts with the Developer/Landlord's team as early as possible in the life of the project.

### 3.1 Building Placement / Orientation

- a. The rear service areas of each building shall be treated with the same level of finishes as the other sides and shall be visually attractive.
- b. The building should be designed to form part of a larger composition of the area in which it is situated. Adjacent buildings should be of similar scale, height and configuration.

### 3.2 Building Articulation

Building articulation shall be achieved using horizontal or vertical offsets, glazing, and canopy and shading systems as well as exposed structural components. Use of a diverse but complementary color and finish palate will be required.

### 3.3 Height

All outparcel building heights along Hartland Square Drive shall not exceed 24' from finished floor to roof parapet and 28' to any exterior feature element. (Feature element not to exceed 50% of building front elevation.)

**OUTLOT INFORMATION** 

MARCH 17, 2008

### 3.4 Building Entries

Pedestrian interest and comfort zones at entries should be provided through special designed seating, signage, lighting and features that signal the building use and entry.

### 3.5 Exterior Building Materials and Colors

### Footnotes to the Schedule Regulating Façade Materials:

- All buildings shall have a minimum of forty percent (40%) clay brick per side.
- Allowed only if earth tone and matte finish. В
- Plain-faced striated, fluted and scored concrete masonry units are not permitted. ground, polished or burnished concrete masonry unit forming an accent element in the building's design may be permitted with Planning Commission approval.
- Color must be harmonious with the color of all other façade materials used on the same building, as well as the color of façade materials used on adjacent buildings. The use of dissonant and intense colored façade materials is not permitted.
- Awnings shall be permitted when located directly over a door or window opening. Awnings shall be complimentary to the building architecture and design. The color of any awnings shall be harmonious with the color of all other façade materials used on the same building, as well as the color of façade materials used on adjacent buildings. The use of dissonant and intense colored façade materials is not permitted.
- b. Multiple wall materials may be combined horizontally on one façade.
- c. Street level windows should be untinted. Mirrored, reflective, or opaque glass is not permitted in any location.
- d. Windows shall be of square or vertical proportion. Special windows may be circular or regular polygons.
- e. Windows should be set to the inside of the building face wall.
- f. All rooftop equipment shall be enclosed or "screened" with parapet wall or roof structure in a building material that matches the structure or is visually compatible with the structure and shall not be visible from any direction. Site line sections may be required. Metal panels may not be used for rooftop screening.

**OUTLOT INFORMATION** 

MARCH 17, 2008

Attachment: 13. Hartland Towne Square Pattern Book dated February 7, 2017 (2978 : Site Plan #19-002, Panda Express)

### 3.6 Outdoor Eating Areas

The following regulations shall apply to all outdoor seating and dining areas:

### Applicable Establishments

Outdoor seating and dining areas shall be allowed at restaurants, bars, taverns, coffee shops, cafes, bistros, bakeries, delicatessens, specialty food stores, and/or similar establishments.

### 2. Standards

### a. Location

All outdoor seating and dining areas shall be located immediately adjacent to the establishment with which it is associated. Outdoor seating and dining areas shall not encroach upon any public right-of-way. A minimum of five (5) feet of sidewalk shall be maintained free of tables and other encumbrances.

### b. Defined Area

If alcoholic beverages are to be served, outdoor seating and dining areas must be enclosed by a barrier a minimum of three and a half (3.5) feet above the ground. The barrier must be decorative and cannot restrict visibility in or out of the area. The barrier may be constructed of permanent or temporary materials that are compatible with the architectural character of the main establishment, subject to approval by the Planning Commission. The required barrier must meet all current fire codes, subject to review and approval of the Fire Marshal and must conform to current Michigan Liquor Control Commission Rules and Regulations

### c. Capacity

Outdoor seating and dining areas shall not exceed twenty-five (25%) of the total seating for the establishment.

### d. Screening

Appropriate screening or fencing complimentary and aesthetically pleasing to the site shall be provided as determined necessary by the Planning Commission.

### e. Pedestrian Circulation

The seating arrangement of outdoor seating and dining areas must comply with the State of Michigan Building Code and is subject to review and approval by the Hartland Township Fire Marshal.

### f. Parking Spaces

No additional parking spaces are required to accommodate outdoor seating and dining areas.

### g. <u>Furniture</u>

Tables, chairs, table umbrellas, railings, planters, posts, and other items shall be of quality design, materials, and workmanship to ensure safety and convenience of users and to enhance the visual and aesthetic quality of the area. All furniture must be made primarily of wood, metal, or a material of comparable quality.

### h. Waste Disposal

Appropriate waste disposal containers shall be provided for the convenience and sanitary disposal of garbage of waste within and around outdoor seating and dining areas. Containers shall be complimentary to the style of the provided furniture.

### 3. Operating Restrictions

### a. Hours of Operation

All outdoor seating and dining areas, except Outlots #14 and #15, shall be allowed to operate as regulated by the Michigan Liquor Control Commission. Outlots #14 and #15 shall be allowed to operate until 10:00 p.m. Sunday through Thursday and until 11:00 p.m. Friday and Saturday.

### b. Furniture Storage

If the outdoor seating is closed for 30 days, all tables, chairs, table umbrellas, posts, and other furniture not fastened to the ground shall be removed and shall not be stored outside. It shall be the responsibility of the establishment to secure adequate storage of these items.

### c. Lighting

Additional lighting on the property shall be designed and erected in accordance with Section 7.09 of the Zoning Ordinance. Lighting shall be reviewed and approved by the Planning Commission.

### d. Noise

No music, intercom, or other noise shall be permitted that impacts adjacent properties (see Section 7 of Hartland Township Ordinance No. 49, Nuisances).

### e. Patron Entrance and Exit

Patron entrance and exit from the enclosed outdoor seating and dining areas at establishments servicing alcohol may only occur through the main establishment or an approved fire exit, as determined by the Fire Marshal. The approved fire exit shall have an alarm to alert the establishment in the event of unauthorized use when no emergency exists.

### f. Food and Beverage Service

All food and beverages shall be prepared within the main establishment. The service of alcoholic beverages is subject to the current Michigan Liquor Control Commission Rules and Regulations.

### g. Display and Advertising

No outdoor seating or dining area may be used for the display or location of merchandise, advertising materials or signage. No permitted canopy, awning or umbrella shall contain advertising material or signage.

### **SECTION 4.0**

### Sidewalks

4.1 Sidewalks shall be located on all sides of buildings separating vehicular use area from the building. Sidewalks shall be a minimum of 7' in width when located adjacent to parking spaces and a minimum of 5' in width in other areas.

### **SECTION 5.0**

### **Loading and Outdoor Service Areas**

- 5.1 All loading and outdoor service areas shall be located away from primary and secondary entrance zones and not be visible from the street and must be screened.
- 5.2 Service and refuse areas should be incorporated into the structure as much as possible. They shall be screened from view with a minimum of 6' high, solid concrete block and brick wall finished in the same materials and color as the building. The area shall have a solid framed door. Inside the area shall be concrete pad; if restaurant, water, faucet and drain. If not incorporated into the structure, refuse areas shall be located along the furthest drive to the west of the building and all other provisions shall remain. Final location to be approved by Hartland Township/ Developer/Landlord.
- 5.3 "Remote/detached" refuse areas shall be screened with landscape materials.
- 5.4 "Take out entrance" for to go orders shall be located away from the restaurant's primary entrance and shall accommodate separate designated parking for up to six (6) vehicles.

**OUTLOT INFORMATION** 

### **SECTION 6.0**

### Utilities

- 6.1 Developer/Landlord will provide each outparcel with conduit/sleeves or stubs for underground utilities and services (electric, gas, sewer, water and telephone) to a point 5' within the Tenant's demised premises/property.. It will be the Tenant's responsibility to extend utilities and services to the building pad.
- 6.2 All services and utilities shall be concealed or underground and all ancillary utility equipment shall have screened or landscape buffers of sufficient size to be screened from view.
- 6.3 Visible utility connections and any ancillary utility equipment shall not be located along Hartland Road, M-59, or at the main building entry.

### **SECTION 7.0**

### Landscaping, Irrigation and Screening

- 7.1 Parking lot landscaping shall conform to the PUD requirements. A minimum requirement of 30 s.f. of interior parking lot landscaping per parking space.
- 7.2 Foundation planting will be required. Size, location and quantity will be determined by the Township prior to site-plan approval.
- 7.3 All plant material shall be irrigated, with underground irrigation system.
- 7.4 Landscape materials shall be maintained consistent with the approved landscape plans. Plants shall be irrigated, fertilized, pruned and otherwise kept in healthy conditions at all times. Pruning of landscape materials other than hedges shall respect the natural growth habit of each plant species. Any plant damaged by insects, disease, vehicular traffic, workman damage, age, acts of God and vandalism shall be replaced when the damage or loss occurs.

**OUTLOT INFORMATION** 

MARCH 17, 2008

### Shrubs/Perennials/Grasses:

Compact American Cran. Viburnum

Dwarf Fothergillia Norman Spirea

Broadmoor Juniper – 5 gallon / 24" HT.

Dense Yews

Shrub Roses – 3 gallon / 24" HT.

Stella 'D' Oro Daylilly – 2 gallon Karley Rose Pennisetum – 5 gallon Blue Clip Juniper – 3 gallon / 24" HT.

Walkers Low Catmint - 2 gallon

Upright Chinese Juniper (3' height)

Dwarf Fountain Grass – 3 gallon

Fragrant Sumac

Black Eye Susan – 2 gallon Autumn Joy Sedum – 2 gallon

Purple Miscanthus

Buffalo Juniper – 5 gallon / 24" HT.

### Trees:

Sugar Maple – Minimum 3" caliper Redmond Linden – Minimum 3" caliper Aristocrat Callery Pear – Minimum 3" caliper White Spruce – Minimum 8' height Prairifire Crab – Minimum 2" caliper and/or 10' height Shadblow Serviceberry – Minimum 2" caliper and/or 10' height Donald Wyman Crab – Minimum 2" caliper and/or 10' height Norway Spruce – Minimum 8' height Red Maple – Minimum 3" caliper White Fringe Tree – Minimum 2" caliper

7.6 Outparcels fronting on M-59 or Hartland Road must landscape frontage per approved site plan. If landscaping is already in, outparcel Tenant to reimburse Developer/Landlord.

OUTLOT

INFORMATION

<sup>\*</sup>All shrubs shall be a miminum 24" height and 24" wide, unless otherwise noted.

### **SECTION 8.0**

### Parking Facilities

- **8.1** Each parking stall to be 10' x 20' minimum.
- 8.2 Each out parcel shall be provided access off of either Hartland Square Drive, Rovey Drive, or Hartland Road. This access may be a shared drive with the adjacent out parcel and shall be coordinated with the overall master plan layout.
- **8.3** Parking lot layout and drainage shall be coordinated with the overall master plan layout.
- 8.4 A minimum evergreen hedge planting area of 3 feet wide shall be provided along the Hartland Square Drive side of parking.
- **8.5** Parking requirements shall be as stated in Hartland Township Ordinance Section 5.01 D except for the following:
  - 1. Shopping Center or Cluster Commercial. One space for each 250 sq. of gross floor area.
  - 2. Restaurants. One space for each 100 sq. ft. of gross floor area.
  - 3. Theaters. One space for every four seats.

Nothing contained herein shall preclude the Township from modifying the parking requirements to be less onerous than required.

8.6 Parking for the handicapped shall comply with applicable Sate and Federal codes, except that a minimum of two (2) barrier-free parking spaces shall be provided in all parking lots and in parking lots with twenty-six (26) spaces or more one (1) additional barrierfree space shall be provided over and above those required by State Law.

### **SECTION 9.0**

### Parking Lot Lighting

- 9.1 All parking lot lights and poles to match existing parking lot lights in the development. Shoe box heads to be fully recessed (Hubbell PFM-H40-V5-F) Black Color.
- 9.2 Maximum height of poles to be 28'0" above pavement. (25'0" pole on 3'0" high concrete base).
- 9.3 Photometrics must be submitted. Main parking lot average foot candles to be between 2.4 and 3.6 maximum. At main entrance to building and entrance drive, average foot candles to be 5.0 maximum, measured five feet above surface.

# PROJECT NARRATIVE

THIS PROJECT PROPOSES TO CONSTRUCT A 2,300 SQUARE FOOT PANDA EXPRESS RESTAURANT WITH DRIVE-THRU AND ASSOCIATED PARKING LOT ON OUTLOT 8 (VACANT) OF THE HARTLAND TOWNE SQUARE PLANNED DEVELOPMENT, NORTH OF HIGHLAND ROAD AND WEST OF HARTLAND ROAD.

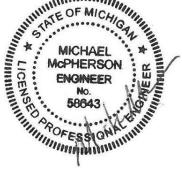

24-HOUR CONTACT: PANDA PM

THE LOCATIONS OF EXISTING
UNDERGROUND UTILITIES ARE SHOWN IN
AN APPROXIMATE WAY ONLY AND HAVE
NOT BEEN INDEPENDENTLY VERIFIED BY
THE OWNER OR ITS REPRESENTATIVE.
THE CONTRACTOR SHALL DETERMINE THE
EXACT LOCATION OF ALL EXISTING
UTILITIES BEFORE COMMENCING WORK,
AND AGREES TO BE FULLY
RESPONSIBLE FOR ANY AND ALL
DAMAGES WHICH MIGHT BE OCCASIONED
BY THE CONTRACTOR'S FAILURE TO
EXACTLY LOCATE AND PRESERVE ANY
AND ALL UNDERGROUND UTILITIES.

NOTICE:

CONSTRUCTION SITE SAFETY IS THE SOLE RESPONSIBILITY OF THE CONTRACTOR; NEITHER THE OWNER NOR THE ENGINEER SHALL BE EXPECTED TO ASSUME ANY RESPONSIBILITY FOR SAFETY OF THE WORK, OF PERSONS ENGAGED IN THE WORK, OF ANY NEARBY STRUCTURES, OR OF ANY OTHER PERSONS.

LANDSCAPE PLAN

# **GENERAL NOTES**

- LANDSCAPE CONTRACTOR (CONTRACTOR) SHALL VISIT SITE, INSPECT EXISTING CONDITIONS AND REVIEW PROPOSED PLANTINGS AND RELATED WORK. LANDSCAPE CONTRACTOR TO VERIFY ALL UTILITY LOCATIONS ON PROPERTY WITH THE GENERAL CONTRACTOR AND BY CALLING 811 PRIOR TO STAKING PLANT LOCATIONS, IN CASE OF DISCREPANCY BETWEEN PLAN AND PLANT LIST, PLAN SHALL GOVERN QUANTITIES CONTACT LANDSCAPE ARCHITECT AND/OR OWNER'S REPRESENTATIVE WITH ANY CONCERNS. SIZES SPECIFIED IN THE PLANT LIST ARE MINIMUM SIZES TO WHICH THE PLANTS ARE TO BE INSTALLED.
- PRIOR TO ANY LAND CLEARING OR CONSTRUCTION, TREE PROTECTION FENCING IS TO BE INSTALLED BY THE CONTRACTOR. THIS FENCING SHALL BE INSTALLED AT THE DRIP LINE OF ALL TREES AND SHRUBS AND MUST BE MAINTAINED AS APPROVED FOR THE DURATION OF THE PROJECT. NO CUTTING, FILLING OR TRESPASSING SHALL OCCUR INSIDE THE FENCED AREAS.
- LANDSCAPE CONTRACTOR SHALL COORDINATE THE PHASES OF CONSTRUCTION AND PLANTING INSTALLATIONS WITH OTHER CONTRACTORS WORKING ON SITE.
- WHERE EXISTING TREES AND/OR SIGNIFICANT SHRUBS MASSINGS ARE FOUND ON SITE, WHETHER SHOWN ON THE DRAWING OR NOT, THEY SHALL BE PROTECTED AND SAVED UNLESS NOTED TO BE REMOVED AND/OR ARE IN AN AREA TO BE GRADED. ANY QUESTION REGARDING WHETHER PLANT MATERIAL SHOULD REMAIN OR NOT SHALL BE BROUGHT TO THE ATTENTION OF THE LANDSCAPE ARCHITECT AND/OR OWNER'S REPRESENTATIVE PRIOR TO REMOVAL.
- ALL EXISTING TREES TO REMAIN TO BE FERTILIZED AND PRUNED TO REMOVE DEAD WOOD AND DAMAGED OR RUBBING BRANCHES.
- NO PLANT MATERIAL SUBSTITUTIONS WILL BE ACCEPTED UNLESS APPROVAL IS REQUESTED OF THE LANDSCAPE ARCHITECT AND OWNER BY THE LANDSCAPE CONTRACTOR PRIOR TO INSTALLATION.
- ALL PLANT MATERIAL SHALL COMPLY WITH THE LATEST EDITION OF THE AMERICAN STANDARD FOR NURSERY STOCK AMERICAN ASSOCIATION OF NURSERYMEN ALL LANDSCAPING SHALL BE INSTALLED AND MAINTAINED IN ACCORDANCE WITH THE STANDARDS OF THE AUTHORITY HAVING JURISDICTION AND IN ACCORDANCE WITH CURRENT INDUSTRY STANDARDS IN A NEAT, HEALTHY AND WEED FREE CONDITION.
- CONTRACTOR WILL SUPPLY FINISHED GRADE AND EXCAVATE AS NECESSARY TO SUPPLY 4" TOPSOIL DEPTH IN ALL PLANTING BEDS AND 4" TOPSOIL DEPTH IN ALL LAWN AREAS. BACKFILL AND CROWN PARKING LOT ISLANDS 6" ABOVE ADJACENT CURBS WITH TOPSOIL, BACKFILL DIRECTLY BEHIND ALL CURBS AND ALONG SIDEWALKS AND COMPACT TO TOP OF CURB OR WALK TO SUPPORT VEHICLE AND PEDESTRIAN WEIGHT WITHOUT SETTLING.
- ACCEPTANCE OF GRADING AND SOD/SEED SHALL BE BY LANDSCAPE ARCHITECT AND/OR PROJECT REPRESENTATIVE. THE LANDSCAPE CONTRACTOR SHALL ASSUME MAINTENANCE RESPONSIBILITY LINTIL FINAL ACCEPTANCE HAS BEEN RECEIVED. MAINTENANCE SHALL INCLUDE WATERING, WEEDING, REPLACEMENT OF WASH-OUTS AND OTHER OPERATIONS NECESSARY TO KEEP SOD/SEED IN A THRIVING CONDITION. UPON FINAL ACCEPTANCE BY LANDSCAPE ARCHITECT AND/OR OWNER'S REPRESENTATIVE, THE OWNER WILL ASSUME ALL MAINTENANCE RESPONSIBILITIES.
- 10. PLANT MATERIAL LOCATIONS SHOWN ARE DIAGRAMMATIC AND MAY BE SUBJECT TO CHANGE IN THE FIELD AS REQUIRED.
- . REPAIR ALL DAMAGE TO PROPERTY FROM PLANTING OPERATIONS AT NO COST TO THE OWNER.
- 12. OWNER OR OWNER'S REPRESENTATIVE SHALL INSPECT LANDSCAPE INSTALLATION AND HAVE THE RIGHT TO REJECT AND WITHHOLD PAYMENT ON ANY PLANT MATERIAL(S) OF DAMAGED OR POOR QUALITY OR NOT MEETING SPECIFICATIONS.
- 3. LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR CLEAN—UP OF SITE AT THE COMPLETION OF LANDSCAPING EACH DAY, AT ALL TIMES THE SIDEWALKS SHALL BE MAINTAINED CLEAN AND FREE OF DEBRIS. REMOVE SURPLUS SOIL AND WASTE MATERIAL, TRASH AND DEBRIS FROM THE SITE AND LEGALLY DISPOSE OF SAME IN ACCORDANCE WITH FEDERAL, STATE AND LOCAL CODES AND
- 4. LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR SOIL, EROSION AND DUST CONTROL MEASURES PRIOR TO AND DURING CONSTRUCTION. THE LANDSCAPE CONTRACTOR SHALL PREVENT EROSION OF SOIL AND ENTRY OF SOIL-BEARING WATER AND AIRBORNE DUST ONTO ADJACENT PROPERTIES AND INTO THE PUBLIC STORMWATER FACILITIES. REFER TO EROSION CONTROL PLANS FOR DETAILS.

# MANUFACTURER'S INSTRUCTIONS UNLESS NOTED OTHERWISE.

- MULCH MATERIAL: AS SPECIFIED ON THE LANDSCAPE PLANS. MASS MULCH ALL PLANTING BEDS TO 3" DEPTH. ALL SHRUB PLANTING BEDS TO RECEIVE 3" DEEP MULCH. ALL EVERGREEN AND DECIDUOUS TREES (IF USED) TO RECEIVE 6" DEEP SHREDDED HARDWOOD MULCH WITH NO MULCH IN DIRECT CONTACT WITH TREE TRUNK. EXTENT OF MULCH TO BE 5'-0" DIA. AT TREES AND 18" BEYOND SHRUB DRIP LINES.
- TREE STAKING: IT SHALL BE THE CONTRACTOR'S RESPONSIBILITY TO STAKE AND/OR GUY THE TREES ACCORDING TO THE DETAILS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO TAKE EVERY STEP NECESSARY TO MAINTAIN THE TREES AND SHRUBS IN AN UPRIGHT AND PLUMB CONDITION AT ALL TIMES UNTIL THE END OF THE PLANT GUARANTEE PERIOD ESPECIALLY WHERE VANDALISM, SOIL OR WIND CONDITIONS ARE A PROBLEM. AT END OF GUARANTEE PERIOD ALL STAKES SHALL BE REMOVED BY LANDSCAPE CONTRACTOR, ALL STAKES USED FOR TREE SUPPORTS SHALL POINT AWAY FROM ANY AND ALL CIRCULATION ROUTES.
- TREE WRAPPING: WRAPPING MATERIAL SHALL BE QUALITY, HEAVY WATERPROOF CREPE PAPER MANUFACTURED FOR THIS PURPOSE WRAP ALL DECIDIOUS TREES PLANTED IN THE FALL PRIOR TO 12-1 AND REMOVE ALL WRAPPING AFTER 5-1.
- . EDGING: EDGING SHALL BE SPADE EDGED.
- B. FERTILIZER: JUMP-SHOT ROOT STIMULATOR AS MANUFACTURED BY ACME, OR APPROVED EQUAL, SHALL BE APPLIED TO THE SOIL BACKFILL OF EACH PLANT DURING INSTALLATION.
- PLANT SIZING: MEASURE TREES AND SHRUBS ACCORDING TO ANSI Z60.1 STANDARDS. TAKE CALIPER MEASUREMENTS 6 INCHES ABOVE GROUND FOR TREES UP TO 4" CALIPER AND 12 INCHES ABOVE GROUND FOR LARGER TREES. ALWAYS HANDLE BALLED AND BURLAPPED MATERIAL BY THE ROOT BALL. PLANT MATERIAL SHALL BE DELIVERED TO THE SITE AND PLANTED THE SAME DAY.
- O. PLANTING PLAN: ALL PROPOSED PLANTS SHALL BE LOCATED CAREFULLY AS SHOWN ON THE PLANS. PLAN TAKES PRECEDENCE OVER PLANT SCHEDULE IF DISCREPANCIES IN QUANTITIES EXIST. SPECIFICATIONS TAKE PRECEDENCE OVER NOTES. RESPECT STATED DIMENSIONS. DO NOT SCALE DRAWINGS.

# **MAINTENANCE / WARRANTY**

- MAINTENANCE OF PLANT MATERIALS AND LAWN AREAS SHALL BEGIN IMMEDIATELY AFTER INSTALLATION AND SHALL CONTINUE UNTIL FINAL ACCEPTANCE, BUT IN NO CASE, LESS THAN THE FOLLOWING STATED PERIODS:
- PLANT MATERIALS: 90 DAYS AFTER SUBSTANTIAL COMPLETION
- LAWN AREAS: 60 DAYS AFTER SUBSTANTIAL COMPLETION
- AFTER REQUIRED MAINTENANCE PERIOD, THE OWNER, UPON REQUEST, WILL MAKE AN INSPECTION TO DETERMINE ACCEPTABILITY. UNACCEPTABLE WORK SHALL BE REPAIRED OR REPLACED AND REINSPECTED BEFORE FINAL ACCEPTANCE IS
- A WRITTEN WARRANTY SHALL BE PROVIDED TO THE OWNER GUARANTEEING THAT ALL PLANT MATERIALS, SOD, AND/OR SEEDED AREAS WILL BE THRIVING FOR THE FOLLOWING STATED PERIODS: TREES, SHRUBS, AND GROUND COVERS - ONE YEAR AFTER FINAL ACCEPTANCE. SOD AND SEEDED AREAS - 90 DAYS AFTER FINAL ACCEPTANCE PERENNIALS - 90 DAYS AFTER FINAL ACCEPTANCE.
- THE CONTRACTOR SHALL PROVIDE THE OWNER WITH WRITTEN INSTRUCTIONS REGARDING MAINTENANCE OF EACH TYPE OF VEGETATION. THE OWNER IS RESPONSIBLE FOR PROPER MAINTENANCE OF THE MATERIALS DURING THE WARRANTY PERIOD AS OUTLINED IN THE MAINTENANCE INSTRUCTIONS. THE CONTRACTOR SHALL MAKE PERIODIC INSPECTIONS OF THE SITE AND WILL INFORM THE OWNER OF ANY LACK OF PROPER MAINTENANCE IN WRITING. OWNER'S FAILURE TO COMPLY WITH THE MAINTENANCE PROGRAM SHALL RENDER THE WARRANTY NULL AND VOID.
- THE CONTRACTOR IS NOT RESPONSIBLE FOR ACTS OF NATURE INCLUDING ABNORMAL WEATHER CONDITIONS, EROSION, VANDALISM, NOR DAMAGES BY OTHERS. IF ANY CONDITIONS BEYOND THE CONTROL OF THE CONTRACTOR SHOULD OCCUR, THE MATERIALS AFFECTED WILL NO LONGER BE COVERED BY THE WARRANTY

# PLANT MATERIALS

- . PROVIDE PLANTS OF QUANTITY, SIZE, GENUS, SPECIES, AND VARIETY SHOWN AND SCHEDULED AND IN CONFORMANCE WITH THE REQUIREMENTS OF ANSI Z60.1 "AMERICAN STANDARD FOR NURSERY STOCK". PLANTS SHALL HAVE BEEN GROWN IN A RECOGNIZED NURSERY IN ACCORDANCE WITH GOOD HORTICULTURAL
- 2. ALL PLANTS SHALL BE FULL, WELL-BRANCHED PLANTS CHARACTERISTIC OF THE SPECIES. PLANTS SHALL BE FREE OF DISEASE, INSECTS, EGGS, LARVAE, AND DEFECTS SUCH AS KNOTS, SUN-SCALD, INJURIES, ABRASIONS, OR DISFIGUREMENT.
- 3. PLANT STOCK SHALL HAVE BEEN GROWN UNDER CLIMATIC CONDITIONS SIMILAR TO CONDITIONS IN THE LOCALITY OF THE PROJECT.
- 4. LABEL AT LEAST ONE PLANT OF EACH KIND WITH A SECURELY ATTACHED WATERPROOF TAG BEARING LEGIBLE DESIGNATION OF BOTANICAL AND COMMON
- 5. PROVIDE FRESHLY DUG BALLED & BURLAPPED PLANT MATERIALS. DO NOT DROP BALLED & BURLAPPED STOCK DURING DELIVERY.

6. DO NOT REMOVE CONTAINER-GROWN STOCK FROM CONTAINERS UNTIL PLANTING

# **INSTALLATION**

- INSTALL TREES AND SHRUBS ACCORDING TO STANDARD DETAILS SHOWN ON THE
- 2. ALL TREE SAUCERS SHALL BE SOAKED WITH WATER AND MULCHED IMMEDIATELY FOLLOWING PLANTING.
- 3. ALL TREE SAUCERS AND SHRUB BEDS SHALL BE MULCHED WITH A 3-INCH LAYER OF ORGANIC TRIPLE SHREDDED HARDWOOD BARK MULCH. NON-ORGANIC MULCHES

SUCH AS GRAVEL, CRUSHED BRICK, LAVA ROCK, ETC. ARE UNACCEPTABLE.

- 4. TREE GUYING SHALL BE REMOVED AFTER ONE FULL GROWING SEASON.
- 5. APPLY 12 CUBIC FEET OF PEAT MOSS PER 100 SQUARE FEET AND 20 POUNDS OF 8-8-8 FERTILIZER PER 100 SQUARE FEET OF GROUND COVER PLANTING BEDS. ROTOTILL THE BEDS TO A DEPTH OF 6 INCHES AND SMOOTH TO AN EVEN AND UNIFORM SURFACE. PLANT GROUND COVER MATERIALS, APPLY 2 INCHES OF ORGANIC MULCH, AND WATER.

# **PLANTING NOTES**

- NO PLANTING TO BE INSTALLED UNTIL GRADING AND CONSTRUCTION HAS BEEN COMPLETED IN THE IMMEDIATE AREA.
- 2. SEE CIVIL/SITE PLAN FOR ALL SITE DIMENSIONS, SQUARE FOOTAGES, PARKING CALCULATIONS, AND DETAILS OF ALL SITE IMPROVEMENTS.
- 3. IF THE LANDSCAPE CONTRACTOR PERCEIVES ANY DEFICIENCIES IN THE PLANT SELECTIONS, SOIL CONDITIONS, OR ANY OTHER SITE CONDITION WHICH MIGHT NEGATIVELY AFFECT PLANT MATERIAL ESTABLISHMENT, SURVIVAL, OR GUARANTEE, THEY SHALL BRING THESE DEFICIENCIES TO THE ATTENTION OF THE LANDSCAPE ARCHITECT PRIOR TO INSTALLATION.
- 4. PRIOR TO ANY LAND CLEARING OR CONSTRUCTION, TREE PROTECTION FENCING IS TO BE INSTALLED BY THE CONTRACTOR. THIS FENCING SHALL BE INSTALLED AT THE DRIP LINE OF ALL TREES AND SHRUBS (TO BE PROTECTED) ACCORDING TO THE TREE PROTECTION DETAIL AND MUST BE MAINTAINED FOR THE DURATION OF THE PROJECT. NO CUTTING, FILLING OR TRESPASSING SHALL OCCUR INSIDE THE FENCED AREAS WITHOUT APPROVAL.
- 5. ALL PLANTS TO BE INSTALLED AS PER PLANTING DETAILS. PLANT MATERIALS ARE TO BE PLANTED IN THE SAME RELATIONSHIP TO GRADE AS WAS GROWN IN NURSERY CONDITIONS. IF WET, CLAY SOILS OR POOR DRAINING SOILS ARE EVIDENT, PLANT HIGHER. REMOVE ALL TWINE, WIRE AND BURLAP FROM TOP 1/3 OF ROOT BALL AND FROM TRFF TRUNKS.
- 6. ONE SHRUB PER TYPE AND SIZE IN EACH PLANTING BED AND EVERY TREE SHALL BE CLEARLY IDENTIFIED (COMMON OR LATIN NOMENCLATURE) WITH A PLASTIC TAG WHICH SHALL NOT BE REMOVED PRIOR TO OWNER ACCEPTANCE.
- 7. SEED AND/OR SOD ALL AREAS DISTURBED DUE TO GRADING AND CONSTRUCTION ACTIVITIES. WHERE SOD/SEED ABUTS PAVED SURFACES, FINISHED GRADE OF SOD/SEED SHALL BE HELD 1" BELOW SURFACE ELEVATION OF TRAIL, SLAB, CURB, ETC. SOD SHALL BE LAID PARALLEL TO THE CONTOURS AND SHALL HAVE STAGGERED JOINTS. ON SLOPES STEEPER THAN 3:1 OR IN DRAINAGE SWALES, THE SOD SHALL BE STAKED TO THE GROUND. REFER TO PLAN FOR SOD/SEED
- 8. PRUNE, THIN AND SHAPE TREES AND SHRUBS ACCORDING TO STANDARD HORTICULTURAL PRACTICES. APPLY MINIMUM 4" MULCH CUP AT ALL TREES NOT PLANTED IN PLANTING BEDS.
- 9. EXISTING LAWN AREAS TO BE SAVED AND AREAS THAT ARE DAMAGED DURING CONSTRUCTION MUST BE INSPECTED TO DETERMINE VIABILITY. IF THE EXISTING LAWN IS FOUND TO BE LEVEL. HEALTHY, DENSE & FREE FROM WEEDS, LAWN MAY NOT REQUIRE REPLACEMENT OR RENOVATION. IF RENOVATION IS REQUIRED OR IS PART OF THE APPROVED PLAN, THEN THE FOLLOWING REQUIREMENTS WILL APPLY:
- EXISTING LAWN FOUND TO BE IN POOR CONDITION MUST FIRST BE SPRAYED WITH ROUND-UP (OR EQUAL) TO KILL THE EXISTING LAWN AND WEED AREAS. WAIT A MIN. OF (10) DAYS FOR THE HERBICIDE TO TAKE EFFECT, THEN REMOVE ALL DEAD SOD & WEEDS TO A MIN. DEPTH OF (2) INCHES. ADD A MIN. OF 6 INCHES OF NEW TOPSOIL TO ALL LAWN AREAS. BACKFILL AND COMPACT TOPSOIL TO THE TOP OF ALL CURBS & WALKS PRIOR TO SODDING. REGRADE TO ELIMINATE ALL BUMPS & DEPRESSIONS AND RESOD ALL AREAS.
- EXISTING LAWN FOUND TO BE IN GOOD CONDITION, BUT WITH BARE, SPARSE OR WEEDY AREAS MUST BE RENOVATED BY FILLING IN LOW AREAS, RAKING, OVERSEEDING AND TOP DRESSING ALL SPARSE AND BARE SPOTS AND BY INITIATING A WEED AND FEED PROGRAM.
- 10. CONVERSION OF ALL ASPHALT AND GRAVEL AREAS TO LANDSCAPE SHALL BE DONE IN THE FOLLOWING MANNER:
- A. REMOVE ALL ASPHALT, GRAVEL AND COMPACTED EARTH TO A DEPTH OF 24"-30" DEPENDING ON THE DEPTH OF SUB BASE AND DISPOSE OF OFF SITE.
- B. REPLACE EXCAVATED MATERIAL W/ GOOD, MEDIUM TEXTURED PLANTING SOIL (LOAM OR LIGHT YELLOW CLAY) TO A MIN. OF 2" ABOVE TOP OF CURB AND SIDEWALK ADD 4"-6" OF TOPSOIL AND CROWN TO A MIN. OF 6" ABOVE ADJACENT CURB AND WALK AFTER EARTH SETTLING, UNLESS NOTED OTHERWISE
- IF CONVERSION TO LANDSCAPE OCCURS IN AN EXISTING (OR BETWEEN) LANDSCAPE AREAS, REPLACE EXCAVATED MATERIAL TO 4"-6" BELOW ADJACENT EXISTING GRADE W/ GOOD MEDIUM TEXTURED PLANTING SOIL (LOAM OR LIGHT YELLOW CLAY) AND ADD 4"-6" OF TOPSOIL TO MEET EXISTING GRADES AFTER
- 11. ALL TREE PITS MUST BE TESTED FOR PROPER DRAINAGE PRIOR TO PLANTING TREES. A DRAINAGE SYSTEM MUST BE INSTALLED IF PLANTING PIT DOES NOT DRAIN SUFFICIENTLY. (REQUIRED IN HEAVY CLAY SOILS)
- 12. ALL LANDSCAPE AREAS SHALL HAVE PROPER DRAINAGE THAT PREVENTS EXCESS WATER FROM STANDING ON LAWN AREAS OR AROUND TREES & SHRUBS.
- 13. ALL MULCH RINGS AND SHRUB BEDS IN LAWN AREAS SHALL BE EDGED WITH A MANICURED EDGE OR WITH MANUFACTURED EDGING AS INDICATED.
- 14. MULCHING AND WATERING OF ALL PLANTS & TREES SHALL BE IMMEDIATELY OR WITHIN 16 HOURS AFTER INSTALLATION.

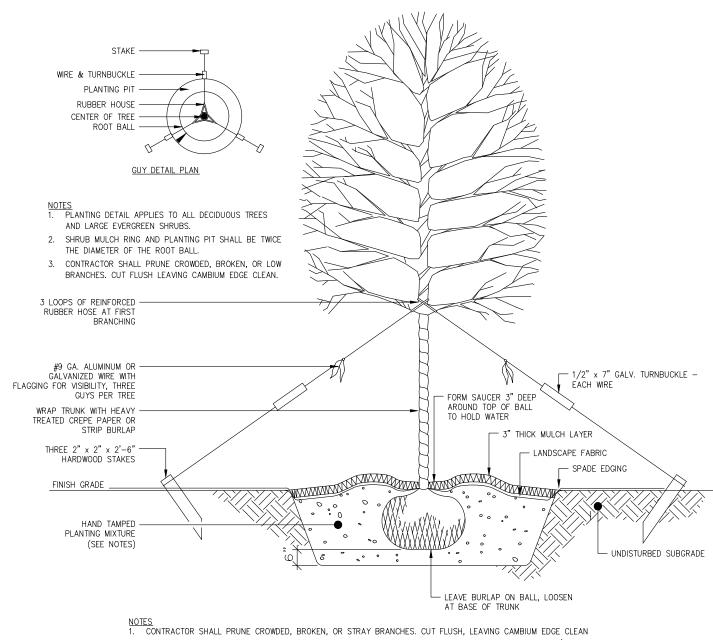

# LAWN INSTALLATION

- . LAWN AREAS SHALL BE PREPARED ACCORDING TO THE SECTION BELOW ENTITLED "SEEDBED PREPARATION".
- 2. LOCALLY-GROWN SOD SHALL BE PROVIDED IN AREAS WHERE SEEDING IS NORMALLY UNSUCCESSFUL OR WILL BE UNSUCCESSFUL DUE TO CLIMATE. SEASON. OR OTHER TEMPORARY CONSTRAINT. SOD SHALL BE STRONGLY ROOTED, FREE OF WEEDS, AND OF UNIFORM THICKNESS WITH NO MORE THAN 1.5 INCHES OR LESS THAN 1 INCH OF SOIL.
- 3. SOD SHALL BE TIGHTLY-FITTED TOGETHER. ENDS AND EDGES SHALL MEET WITHOUT OVERLAP AND JOINTS SHALL BE STAGGERED WITH ADJACENT ROWS. AFTER INSTALLATION, SOD SHALL BE THOROUGHLY WATERED. ON SLOPES STEEPER THAN 2:1, SOD SHALL BE HELD IN PLACE WITH WOODEN STAKES MEASURING 1 INCH SQUARE BY 6 INCHES LONG. STAKES SHALL BE DRIVEN FLUSH WITH THE TOP OF THE SOD'S SOIL LAYER.

- 4. PROVIDE GRASS SEED THAT IS FRESH, CLEAN, NEW-CROP SEED COMPLYING WITH TOLERANCE FOR PURITY AND GERMINATION ESTABLISHED BY OFFICIAL SEED ANALYSTS OF NORTH AMERICA. PROVIDE SEED TYPE OR SEED MIX WITH BEST RECORD OF SUCCESS IN LOCALITY OF PROJECT OR PER PROJECT SPECIFICATIONS. REFER TO PLAN
- 5. APPLY SEED AT THE APPROPRIATE RATE, PER M.D.O.T. SPECIFICATIONS, FOR ESTABLISHING A NEW LAWN. SOW SEED USING A SPREADER OR SEEDING MACHINE. DISTRIBUTE SEED EVENLY OVER ENTIRE AREA BY SOWING EQUAL QUANTITY IN 2 DIRECTIONS AT RIGHT ANGLES TO EACH OTHER. RAKE SEED LIGHTLY INTO TOP 1/8-INCH OF SOIL, ROLL LIGHTLY, AND WATER WITH A FINE SPRAY.
- 6. PROTECT ALL SEEDED AREAS AGAINST EROSION BY SPREADING A CLEAN, SEED FREE SALT HAY OR THRESHED STRAW OF WHEAT, RYE, OATS, OR BARLEY. SPREAD UNIFORMLY TO FORM A CONTINUOUS BLANKET NOT LESS THAN 1.5 INCHES LOOSE MEASUREMENT OVER SEEDED AREA.
- 7. TREATMENTS SUCH AS JUTE MESH, EXCELSIOR MATTING, OR FIBERGLASS ROVING SHALL BE USED TO STABILIZE DITCHES OR STEEP SLOPES SUSCEPTIBLE TO EROSION. THE TREATMENT SHALL BE INSTALLED PRIOR TO THE MULCHING

### SEEDBED PREPARATION

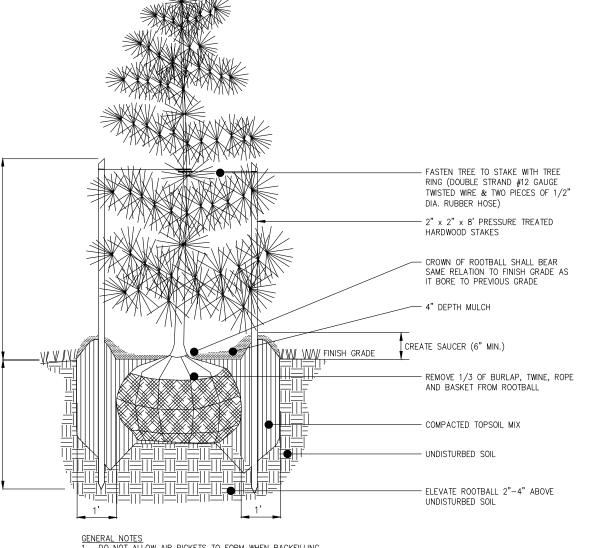

- 1. ALL DISTURBED AREAS SHALL BE DRESSED TO THE TYPICAL SECTIONS AND/OR GRADES SHOWN AND PLOWED TO A DEPTH OF 5 INCHES. THE TOP 2 INCHES SHALL BE PULVERIZED TO PROVIDE A UNIFORM SEEDBED.
- REMOVE ALL LOOSE ROCK, ROOTS, AND OTHER DEBRIS LEAVING SURFACE REASONABLY SMOOTH AND UNIFORM. SOIL LEVEL SHALL BE APPROXIMATELY 1 INCH BELOW ALL TOPS OF CURBS AND WALKWAYS.
- 3. APPLY LIME AND FERTILIZER WITH NECESSARY EQUIPMENT TO ENSURE UNIFORM DISTRIBUTION OF THE MATERIALS. THE HAND/BUCKET METHOD IS NOT ACCEPTABLE. THE RATES AND TYPES OF MATERIALS TO BE APPLIED ARE AS
- FOLLOWS: TURFGRADE FERTILIZER WITH SLOW RELEASE NITROGEN (E.G. 18-24-10) -RATE THAT WILL PROVIDE 5 LBS. OF PHOSPHORUS PER 1000 SQUARE FEET LIMESTONE - 75 LBS. PER 1000 SQUARE FEET
- (LIMESTONE MAY BE WAIVED IF EXISTING PH IS GREATER THAN 5.5.)
- 4. MOISTEN PREPARED LAWN AREAS BEFORE PLANTING IF SOIL IS DRY. ALLOW SURFACE MOISTURE TO DRY BEFORE PLANTING LAWNS. DO NOT CREATE A MUDDY SOIL CONDITION.

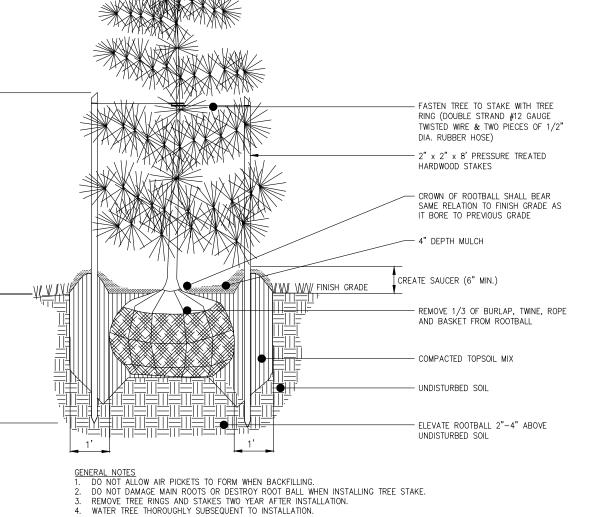

2. HAND TAMPED PLANTING MIXTURE SHALL BE 1-PART APPROVED ORGANIC MATTER, 4-PARTS NATIVE SOIL, ½ LB 10-10-10 FERTILIZER PER CUBIC YARD OF BACKFILL OR APPROVED SUBSTITUTE

# CONCRETE BUMPER BLOCK NOT TO SCALE

I—Inground Anchor Mount S—Surface Flange Mount

G—Galvanized S—Stainless Steel

Specifications
All standard units made from ASTM a53/a500 SCHD 40 steel pipe (2.375" ID X .154 wall(, hydraulically bent with mandril, hot-dipped galvanized after fabrication.

The RIBBON® RACK is available in ASTM A312 SCHEDULE 40 TP 304 stainless steel, satin #4 finish — optional extra.

Specifying / Estimating / Ordering Please use the following notations: Quantity

stainless steel, satin #4 finish — optional extra.

Installation Methods
Inground Anchor Mount — standard
Surface Flance Mount — optional and extra

Surface Flange Mount — optional and extra

General Information
RIBBON and the Brandir International Inc. logo are trademarks of
Brandir International Inc., used exclusively by AAA RIBBON RACK CO.
Delivery time: Six weeks or sooner from receipt of order.

Important Considerations
Colors: (Painting/Coating)—Painting or coating the rack will result in a maintenance problem, as no coating will withstand the abuse of bicycles.
Powder coating cannot be maintenanced; an enamel finish will chip.
AAA RIBBON RACK CO. has the best solution where color is essential.
Please contact us to find out how to achieve an appropriate color with a minimum of maintenance.

Materials: Steel tubing or aluminum are not suitable materials for a bicycle rack.

Pre—galvanized material will flak and crack during manufacture. AAA RIBBON

RACK CO. uses heavy—duty steel pipe, hot—dipped galvanized after fabrication to

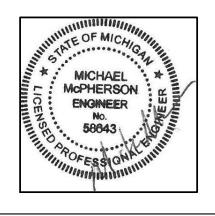

provide security and durability.

Manufacture: Hydraulic bending with a mandril, as used by AAA RIBBON RACK CO., insures smooth and aesthetic curves on the Ribbon©Rack. Press bending leaves an indentation; other methods flatten outer curves and crimp

sures smooth and aesthetic curves on the Ribbon©Rack. Press bending an indentation; other methods flatten outer curves and crimp curves.

EXHIBIT "A" LEGAL DESCRIPTION PER ALTA COMMITMENT FOR TITLE INSURANCE ISSUED BY FIDELITY NATIONAL TITLE INSURANCE COMPANY, COMMITMENT NUMBER GLT1800100, COMMITMENT DATE: JULY, 17, 2018

LAND SITUATED IN THE TOWNSHIP OF HARTLAND, COUNTY OF LIVINGSTON AND STATE OF MICHIGAN, DESCRIBED AS FOLLOWS:

A PARCEL OF LAND BEING A PART OF THE SOUTH 1/2 OF SECTION 21, TOWN 3 NORTH-RANGE 6 EAST, HARTLAND TOWNSHIP, LIVINGSTON COUNTY, MICHIGAN, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE SOUTH 1/4 OF SAID SECTION 21 THENCE NORTH 02 DEG. 55' 00" WEST, 214.93 FEET ALONG THE NORTH-SOUTH 1/4 LINE (AS MONUMENTED); THENCE NORTH 80 DEG. 05' 11" EAST, 825.65 FEET ALONG THE OLD NORTH RIGHT-OF-WAY OF HIGHLAND ROAD (M-59); THENCE NORTH 09 DEG. 53' 52" WEST, 60.00 FEET TO A POINT ON THE NORTH RIGHT-OF-WAY LINE OF SAID HIGHLAND ROAD (120'-1/2 WIDTH) AND THE POINT OF BEGINNING; THENCE SOUTH 80 DEG. 05' 11" WEST, 322.90; THENCE NORTH 06 DEG. 13' 41" WEST, 250.00 FEET TO THE SOUTHERLY LINE OF PROPOSED "HARTLAND SQUARE DRIVE" EASEMENT; THENCE ALONG SAID SOUTHERLY LINE NORTH 89 DEG. 39' 29" EAST 178.94 FEET AND 132.05 FEET ALONG A CURVE TO THE LEFT, SAID CURVE HAVING A RADIUS OF 275.00 FEET, A CENTRAL ANGLE OF 27 DEG. 30' 46" AND A CHORD WHICH BEARS NORTH 75 DEG. 54' 46" EAST, 130.79 FEET; THENCE SOUTH 09 DEG. 53' 52" EAST, 229.28 FEET TO THE POINT OF BEGINNING.

TOGETHER WITH RIGHTS AND BENEFITS OF A CERTAIN OPERATION AND EASEMENT AGREEMENT RECORDED AT RECORDING NO. 2008R-011718, AND AMENDMENTS RECORDED AT RECORDING NOS: 2009R-011446, 2009R-022486, 2010R-024732, AND 2018R-008461 AND ASSUMPTION AGREEMENTS RECORDED AT RECORDING NOS: 2014R-012826, 2017R-023843 AND 2018R-008463.

TOGETHER WITH RIGHTS AND BENEFITS OF A CERTAIN DECLARATION OF ACCESS EASEMENT BY **(24)** ramco rm hartland sc llc, recorded september 30, 2008 at recording no. 2008R-028124.

## **NAVILITE EXIT & EMERGENCY**

REMOTE HEADS

**NR Series** 

### PRODUCT SPECIFICATIONS — NRRD SERIES

Construction Round head design • Injection molded, engineering-grade, UV-stable thermoplastic • Impact, scratch, fade and corrosion-resistant • One or two head versions • Off-White (neutral) or black finish.

Lamps Supplied with incandescent wedge base lamps. **Warranty** 5-year warranty.

Product specifications subject to change without notice.

## ORDERING INFORMATION — Round Remote Lamp Head

Series	Style	Number of Heads	Finish	Lamp Type	Example Cat. #

DRILLING LOCATIONS Side "C"

Series Style Number of Heads Finish Lamp Type Example Cat #

12V12-12V, 12W

6V7-6V, 7.2W

Side "A" (Hand-hole Side)

Other two locations will be 120° to the left and right of Side A. Note: Standard SF and DF pole preparations are located 3/4 of the height of the pole from the base, unless otherwise specified.

SHIPPING WEIGHTS - Steel Square Poles

'(102mm) sq. 07 Ga. is approximately 127mm) sq. 11 Ga. is approximately '(127mm) sq. 07 Ga. is approximately 6"(152mm) sq. 07 Ga. is approximately Anchor Bolts (3/4" x 30")(19mm x 762m

Anchor Bolts (1" x 36")(25mm x 914mm

ARRA

**HAND-HOLE** - Standard hand-hole location is 12" above pole base. Poles 22' and above have a 3" x 6" reinforced hand-hole. Shorter poles have a 2" x 4" non-reinforced hand-hole. **BASE** - Pole base is ASTM-A36 hot-rolled steel plate with a minimum yield strength of 36,000 psi. Two-piece square base cover is optional. **ANCHOR BOLTS -** Poles are furnished with anchor bolts featuring zinc-plated double nuts and washers. Galvanized anchor bolts are optional. Anchor bolts conform to ASTM F 1554-07a Grade 55 with a minimum yield strength of 55,000 psi. **GROUND LUG -** Ground lug is standard. **DUPLEX RECEPTACLE** - Weatherproof duplex receptacle is optional. **GROUND FAULT CIRCUIT INTERRUPTER -** Self-testing ground fault circuit interrupter is optional. **FINISHES -** Each pole is finished with DuraGrip<sup>®</sup>, LSI's baked-on polyester-powder

> powder finish plus an inner coating, as well as a seven-year limited warranty. DETERMINING THE LUMINAIRE/POLE COMBINATION FOR YOUR APPLICATION: Select luminaire from luminaire ordering information

- Select bracket configuration if required
- Determine EPA value from luminaire/bracket EPA chart

Confirm pole EPA equal to or exceeding value from note above

 Select pole height • Select MPH to match wind speed in the application area (See windspeed map).

**POLE SHAFT** - Pole shaft is electro-welded ASTM-A500 Grade C steel tubing with a minimum yield

Consult factory for special wind load requirements and banner brackets

US patent D574994 & 7,828,456 and MX patent 29631 and US & Int'l. patents pending SMARTTEC™ THERMAL CONTROL - LSI drivers feature integral sensor which reduces drive current when ambient temperatures exceed rated temperature.

OCCUPANCY SENSING (IMS) – Optional integral passive infrared motion sensor activates switching of luminaire light levels. High level light is activated and increased to full bright in 1-2 seconds upon detection of motion. Low light level (30% maximum drive current) is activated when target zone is absent of motion activity for ~2 minutes and ramps down (10-15 seconds) to low level to allow eyes time to adjust. Sensor is located on the front of optical assembly and rotates with the optic. Sensor optic has a detection cone of approximately 45°. Examples of detection – occurs 30' out from a 30' mounting height pole; occurs 20' out from a 20' mounting height pole. **ENERGY SAVING CONTROL OPTIONS –** DIM – 0-10 volt dimming enabled with controls

by others. BLS – Bi-level switching responds to external line voltage signal from separate 120-277V controller or sensor (by others), with low light level decreased to 30% maximum

**EXPECTED LIFE** - Minimum 60,000 hours to 100,000 hours depending upon the ambient temperature of the installation location. See LSI web site for specific guidance. LEDS - Select high-brightness LEDs in Cool White (5000K) or Neutral White (4000K) color temperature, 70 CRI.

**DISTRIBUTION/PERFORMANCE -** Types 3, 5, FT and FTA available - field rotatable **HOUSING** - Square, die-formed aluminum. Fully enclosed weather-tight housing contains

factory prewired drivers and field connections. **TOP-ACCESS COVER -** Gasketed, tethered top-access cover provides ease of installation and allows for easy driver access. Four captive stainless-steel fasteners secure the topaccess cover to the housing.

OPTICAL UNIT - Clear tempered optical grade flat glass lens sealed to aluminum housing creates an IP67 rated, sealed optical unit (includes pressure stabilizing breather). Optical unit can be easily field rotated in 90o increments. Directional arrow on optics allows alignment without the unit being energized.

**MOUNTING** - 2-1/2" x 5-3/8" x 12" extruded aluminum arm mounting bracket shipped standard. Use with 5" traditional drilling pattern. Round Pole Plate (RPP2) required for mounting to 3"-5" round poles. (See Accessory Ordering Information chart.) **ELECTRICAL** - Two-stage surge protection (including separate surge protection built into electronic driver) meets IEEE C62.41.2-2002, Location Category C. Available with universal

voltage power supply 120-277VAC (UE - 50/60Hz input), and 347-480VAC. DRIVERS - Available in Low Watt (LW), Super Saver (SS) and High Output (HO) drive currents (Drive currents are factory programmed). Components are fully encased in potting material for moisture resistance. Driver complies with FCC 47 CFR part 15 RFI/EMI

This product, or selected versions of this product, meet the standards FINISH - Fixtures are finished with LSI's DuraGrip® polyester powder coat finishing process. The DuraGrip finish withstands extreme weather changes without cracking or peeling.

Fixtures comply with ANSI C136.31-2010 American National Standard for Roadway Lighting Equipment - Luminaire Vibration 3G requirements.

**OPERATING TEMPERATURE -** -40°C to +50°C (-40°F to +122°F).

**DECAL STRIPING** - LSI offers optional color-coordinated decals in 9 standard colors to accent the fixture. Decals are guaranteed for five years against peeling, cracking, or fading. **WARRANTY -** LSI LED fixtures carry a limited 5-year warranty.

**PHOTOMETRICS** - Please visit our web site at <u>www.lsi-industries.com</u> for detailed photometric data.

SHIPPING WEIGHT (IN CARTON) - Fixture - 44.5 lbs (20 kg) Arm - 5 lbs. (2kg) arm **LISTING** - UL listed to U.S. and Canadian safety standards. Suitable for wet locations. For a list of the specific products in this series that are DLC listed, please consult the LED Lighting section of our website or the Design Lights website at www.designlights.org.
